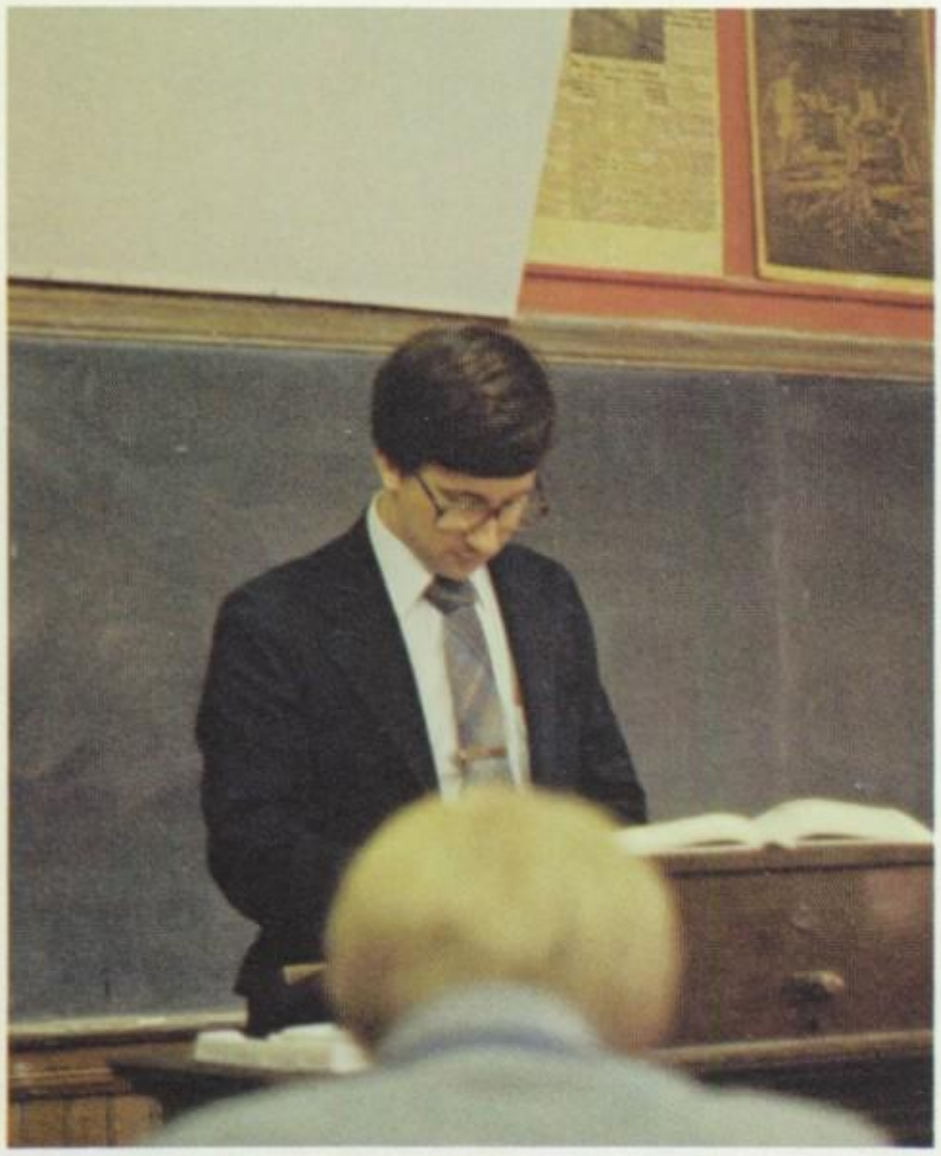
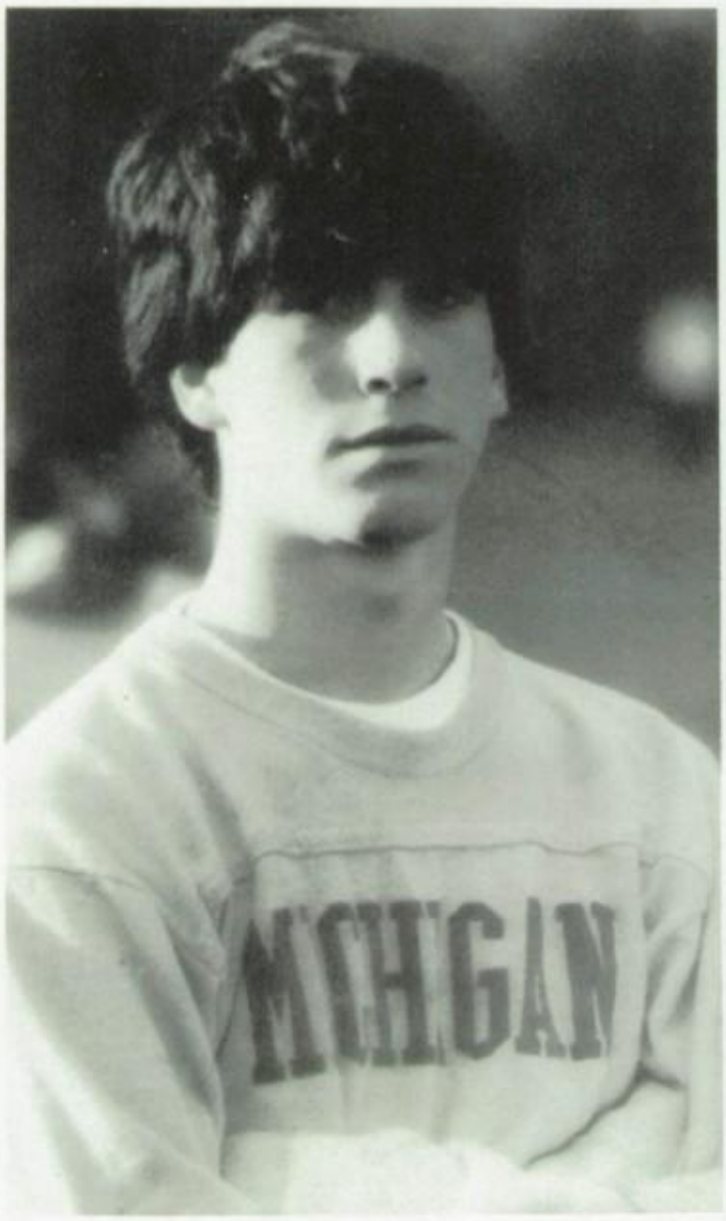
The time has seemed short —
but all good things pass quickly.

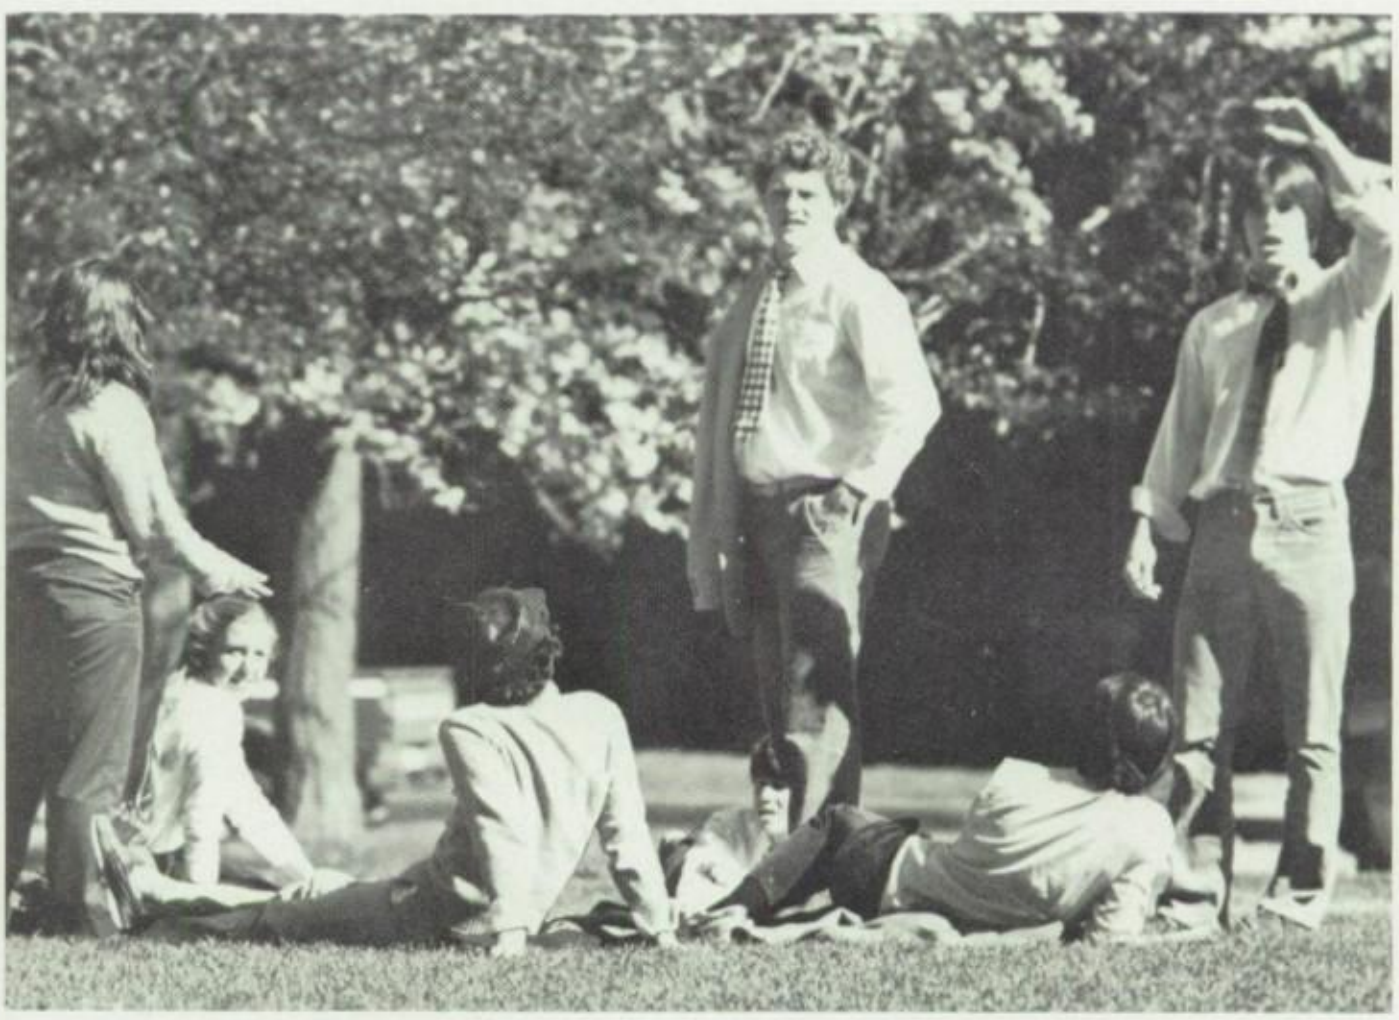
Dedication
Roger Richard



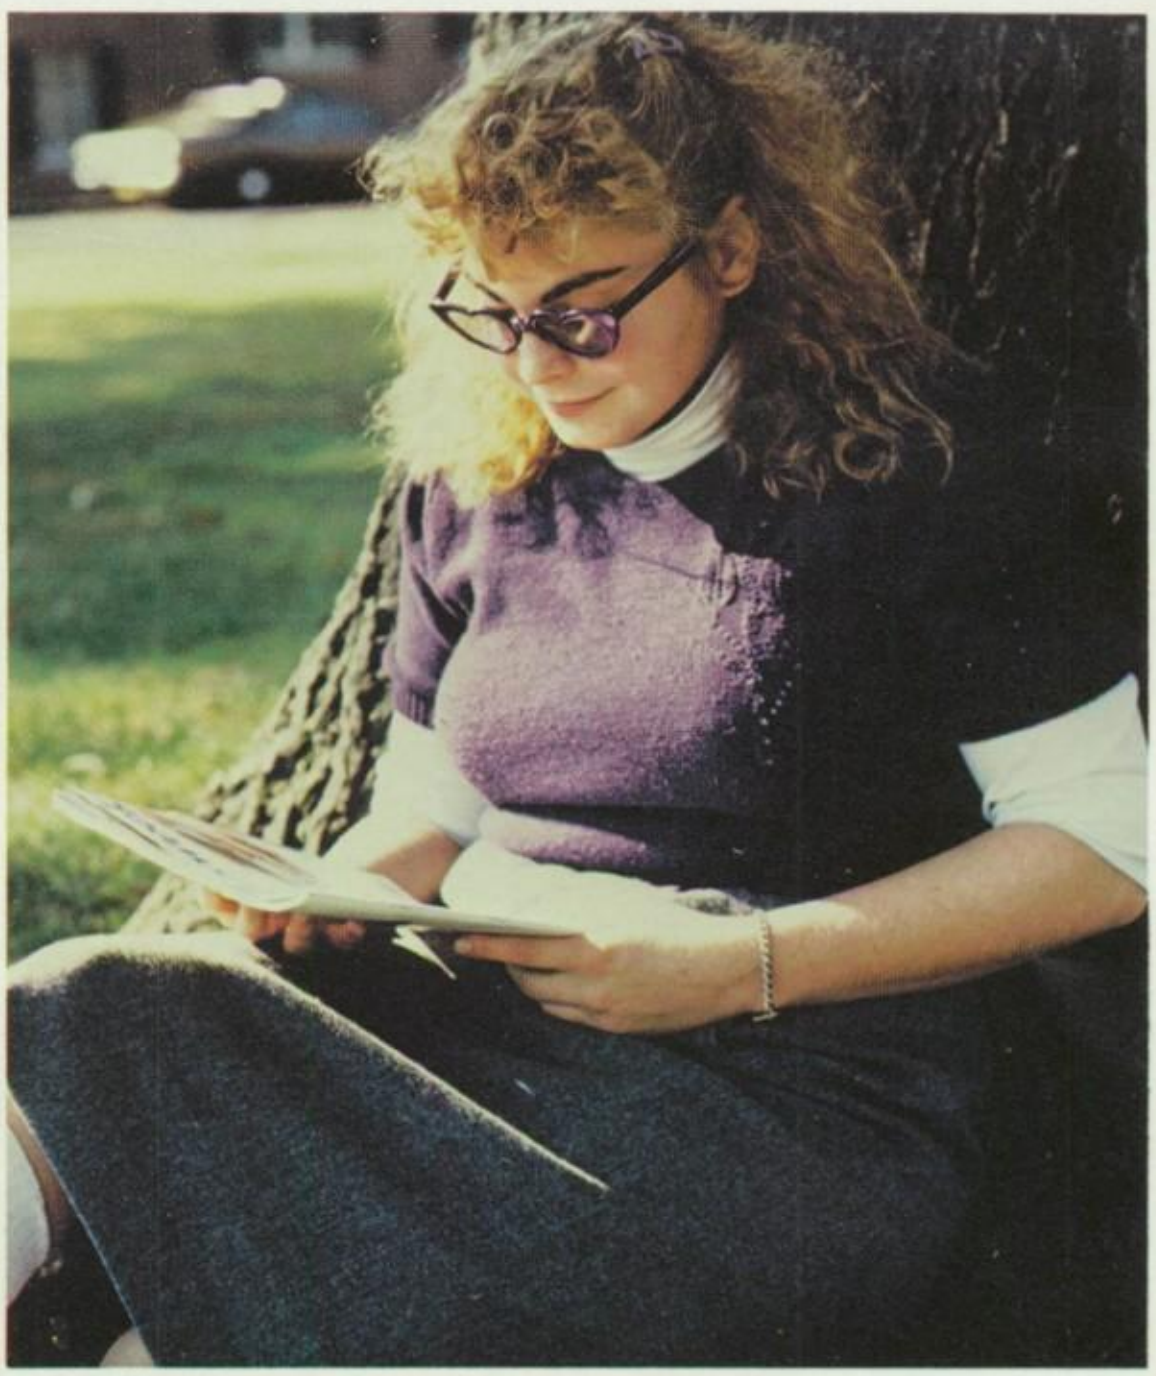
The yearbook is dedicated annually to a person who has contributed to Worcester Academy life, and Mr. Roger Richard certainly fits this criteria. For five years Mr. Richard has taught history as well as being faculty adviser to the Vigornia. In his relatively brief time here, Mr. Richard has been a strong force in consistently improving the quality and quantity of the paper. His intelligence and dry wit in the classroom are always evident. As our class advisor, Mr. Richard has left a lasting impression on us, and his fine teaching has prepared us for college and beyond. We hope that he may continue to share his time and knowledge with future W.A. students, as he has done with us. Thank you Mr. Richard.

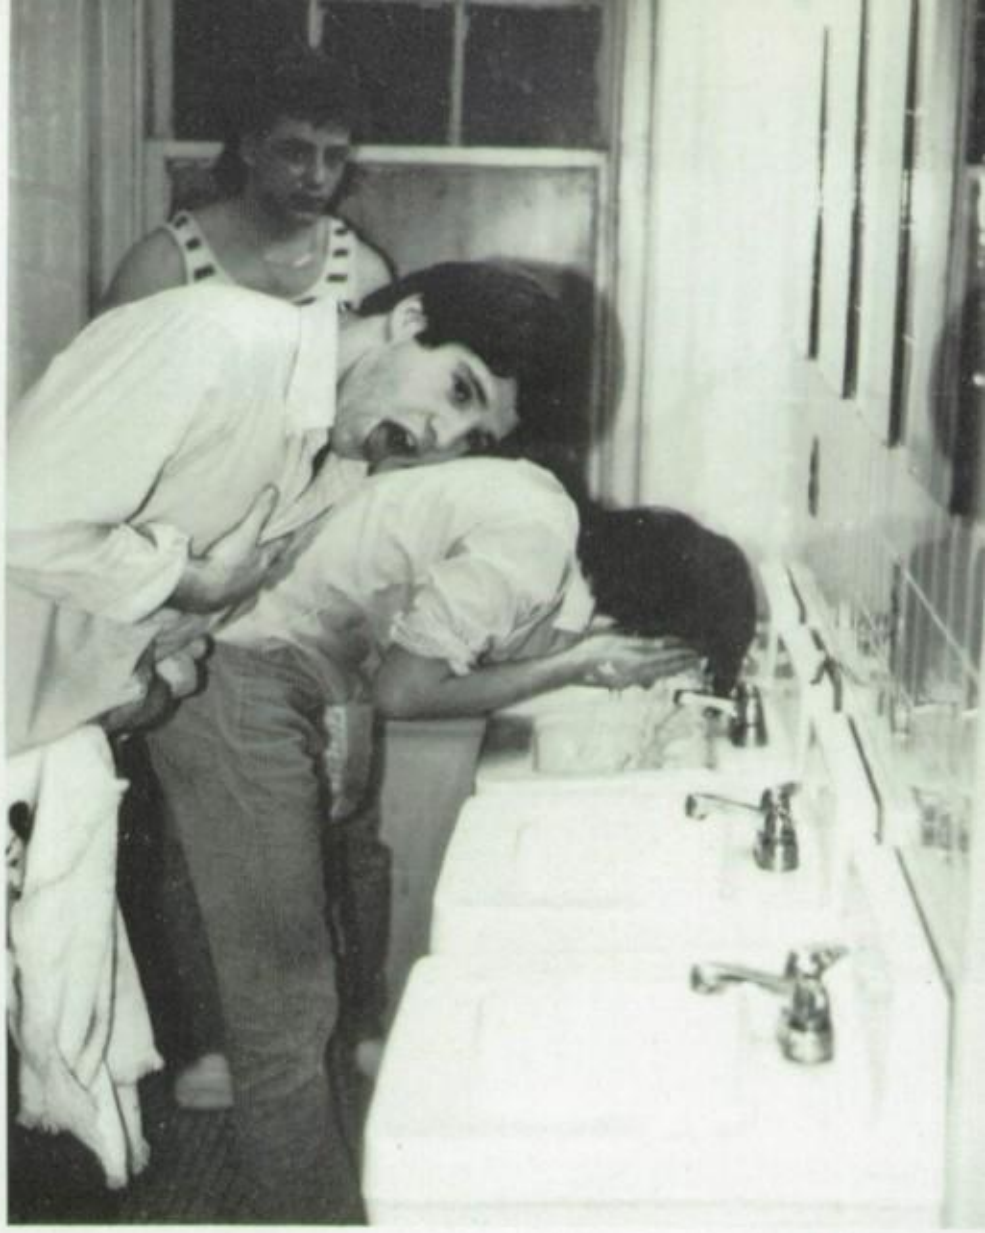
The experience gained has been unparalleled —



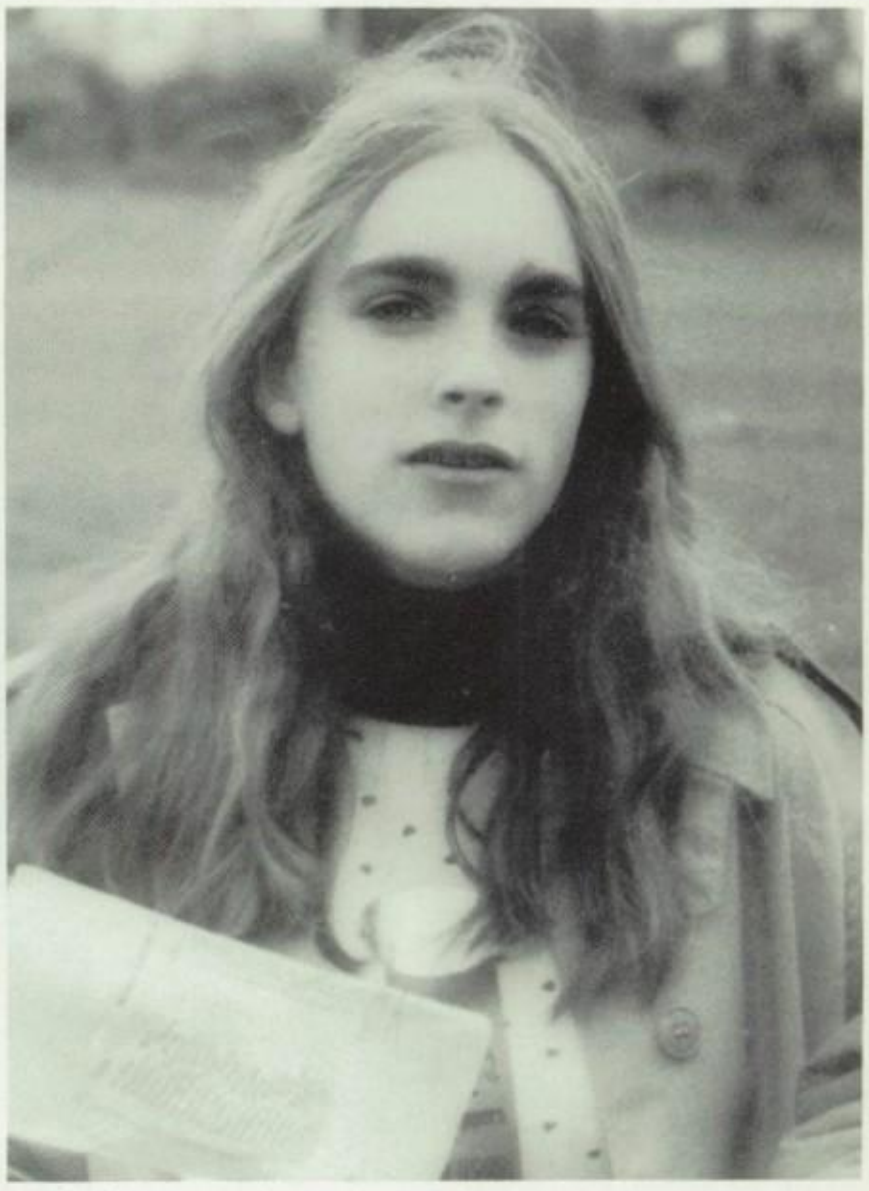


but we have had unusual opportunities.



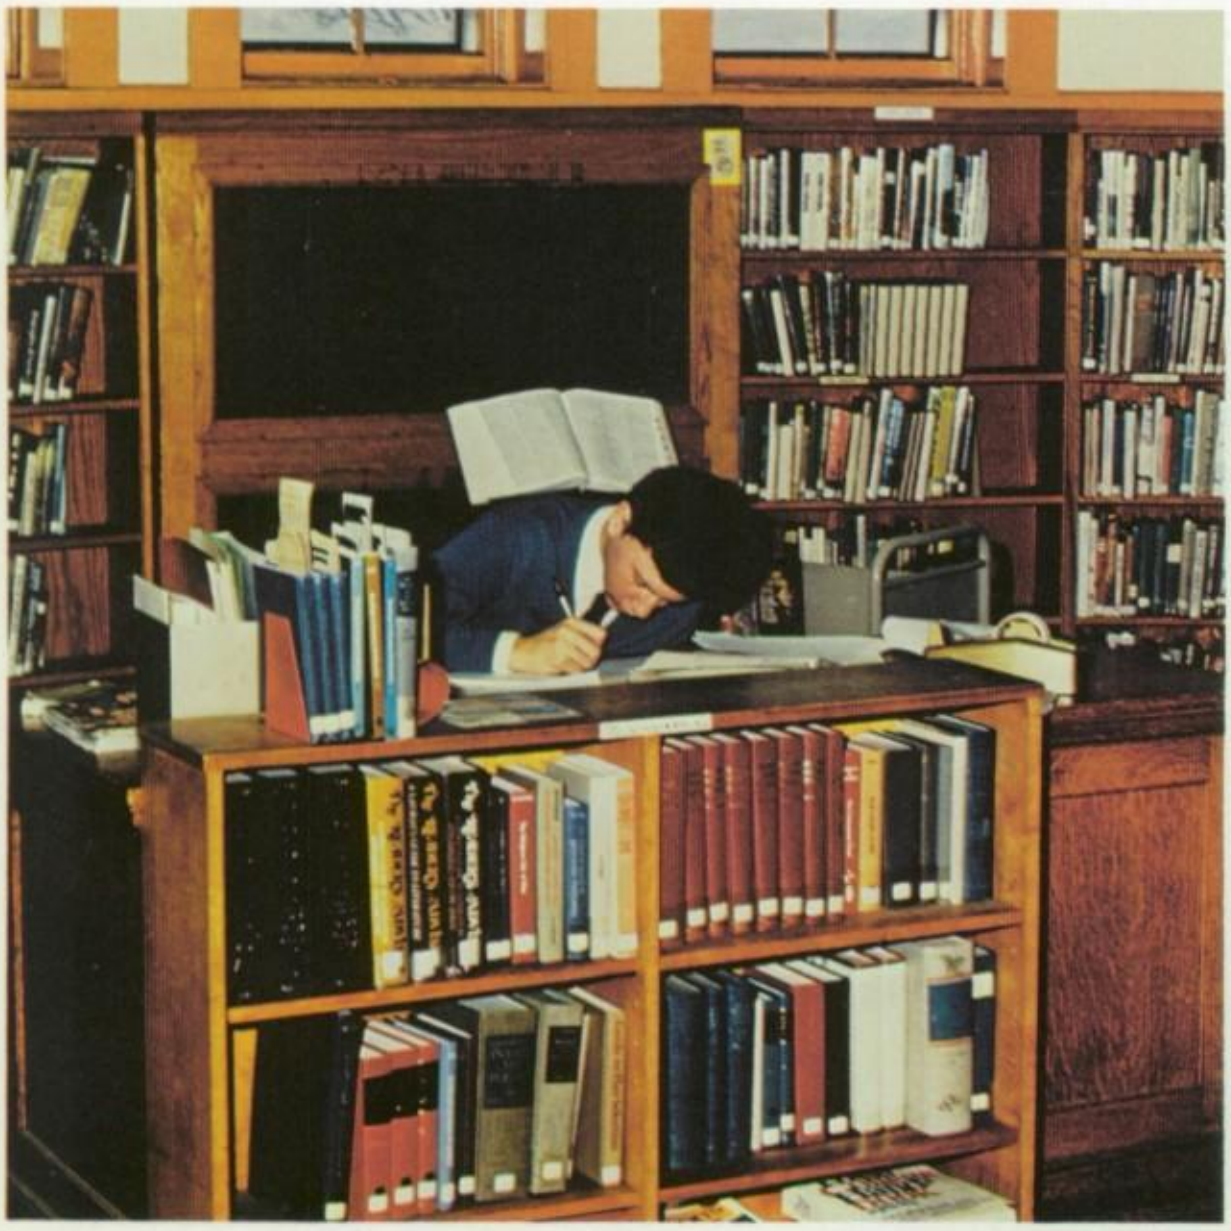


The opportunities have come and gone —

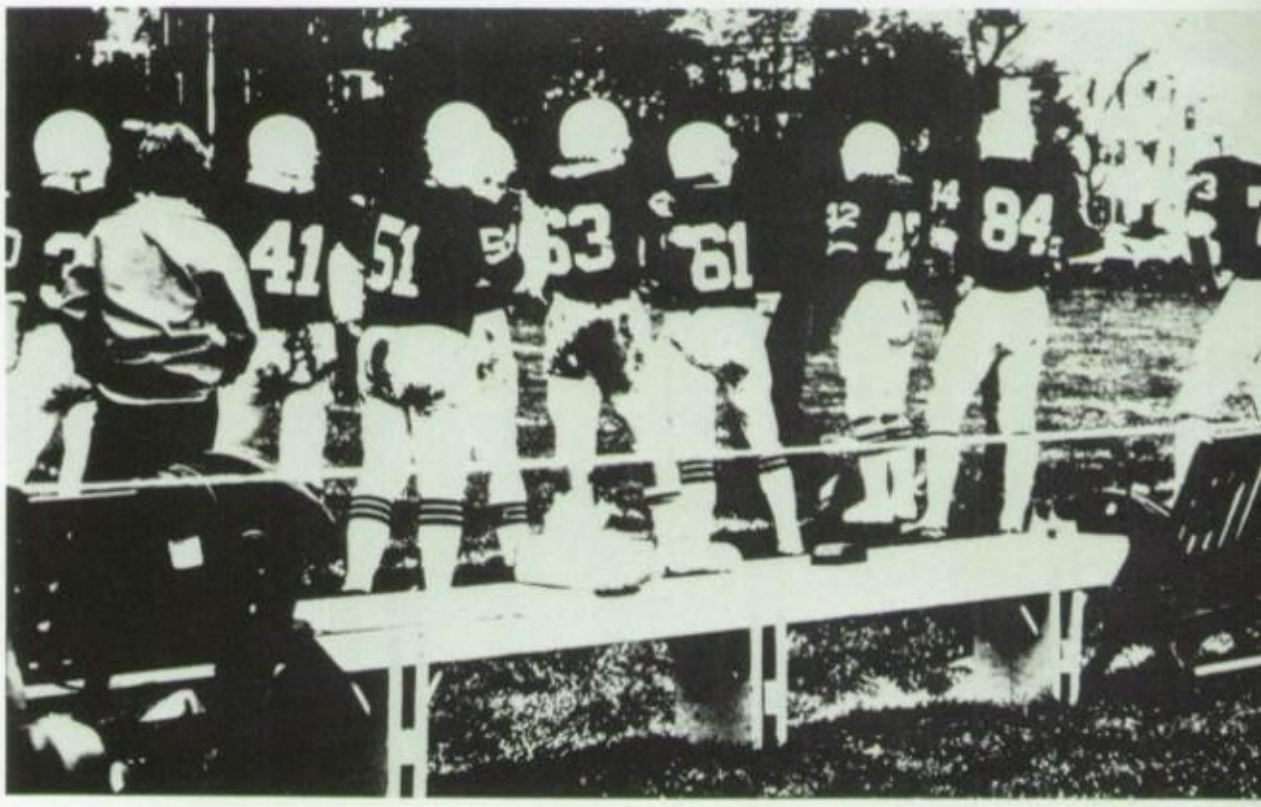


but not so quickly that we haven't seen and grasped them.

The world has grown for us —
but we have widened our scope, too.



Lasting friendships have been created —



but God meant man to live together peacefully.

Towers, 1949

New Beginnings

September marks the beginning of a new academic year. As usual, all students are summoned to school the day before the commencement of classes to register, fill out forms, and purchase books. New students are welcomed to a new school, while veterans of W.A. are greeted by new teachers and a renovated Kingsley Hall. As the month continues, class elections are announced, all clubs hold organizational meetings, and Mr. Bloom gives the first speech of the year during assembly. Grub days are auctioned off, H.K.A. holds tryouts for the fall production, and in an effort to vaccinate everyone, Mrs. Neal begins hunting down flu shot victims. As the month winds down, colleges begins visiting the school and seniors are notified to begin work on their college applications.

October announces the arrival of the pep rally and Homecoming, which kicks off this month's events. We were hoping for a clear and sunny day but mother nature had different plans. Despite the rain, the school spirit was not dampened and there was a good turnout for the sports events and the ceremony which marked the rededication of Kingsley Hall. The school year is getting into full swing. Senior class pictures are taken, the juniors take their PSAT'S, and a typing course begins for all students who realize that mom won't always type their papers. Both E.K.A. and the History Club officially change their names and W.A. sees the rise of a stamp and coin club. The clubs took the headlines when the French Club sells crepes, the Spanish Club tacos, and the Math Team moves up to division A because of an outstanding performance at the first meet. This month was topped off by Joseah S. Carberry's annual non-lecture, and everyone enjoys a much needed day off.

HOMECOMING

Homecoming, the annual fall event, was celebrated on Saturday, October 3rd. The day began with a meeting of the Worcester Academy Alumni Association. At 10:30, the ceremony for the rededication of Kingsley Hall got under way. All were invited to attend as speeches were made, plaques were unveiled, and rooms were dedicated. At the conclusion of the ceremony, red and white balloons bearing the slogans "Kingsley Hall" and "Beat Andover" were handed out.

The sporting events kicked off with the girls' soccer team rallying against Moses Brown under cold and rainy conditions. Despite the weather, the girls played an aggressive and disciplined game to beat Moses Brown 3 to 1.

Alumni and parents then joined students for a chicken barbeque in Adams Hall, before the annual Homecoming Parade back down to the field. The parade lacked good weather but it didn't lack spirit.

Afternoon sports resumed with the Varsity Boys' Soccer team rivalling Moses Brown. The boys' team bowed to their strong and undefeated opponents, 6 to 3. And then, as in the past, the cross country meet was run during halftime of the football game. The Hilltoppers devasted Wilbraham-Monson with a win of 46 to 17.

The Varsity Football game, however, proved to be one of the most exciting in recent years, as the Hilltoppers battled Andover. Within the last five minutes of the game, Worcester Academy managed to narrow Andover's lead from twelve to five points, but the team was unable to score before the clocked expired. The Hilltoppers bowed to Andover 29 to 24, the team's first loss in two years.

After the game, everyone returned to the Megaron for refreshments. The day was far from over, as the faculty, parents, and alumni gathered in the Pit for cocktails and hot hors-d'oevres with music performed by the Conte Brothers Orchestra.

The students also had a full evening planned as they gathered in the Megaron for the annual Homecoming Dance. This year's dance turned out to be the most successful in several years. It was a fitting conclusion to an outstanding day.

First Term Over — One Down, Two to Go!

"**Our** masterpiece at long last."

November is a hectic month as everyone tries to com plete their work before exams and Thanksgiving vacation The History Club sponsors a grub day, Mrs. Shainhei holds her annual book fair, and the seventh grade announces its bake sale. H.K.A. presents its fall produc tion of "Time Out For Ginger," which once again proves to be a complete success. The Junior-Senior Faculty Soc cer game is cancelled due to an outstanding performance by the rain, Mr. Hughes begins recruiting speakers for the fall contest, and no parking zones are added in front o Dexter Hall. As for the seniors, Mr. Munger threatens to send letters to the parents of any student who hasn't had a college counseling meeting. The end of November brings an end to fall sports and a much welcomed finish to the fall term; one down, two to go.

Now is the perfect time for General Foods International Coffees.

Time Out For Ginger

H.K.A.'s first production was Ronald Alexander's "Time Out For Ginger." It is a comic spoof about a girl who tries out for the football team and makes it! This play goes through the trials and tribulations of Ginger trying out for the team and playing her first game. Ginger nearly lost her boyfriend and her father lost his job. All the actors and actresses did a wonderful job including Kelly R. The crew and cast really pulled together and did a fine job. This shows what a great season H.K.A. will have.

Snow!!!

We return fresh from Thanksgiving break, concentrating our efforts, not on academics or college applications, but on the approach of Christmas vacation. Despite the lack of interest, W.A.'s activities prevail. Winter sports get organized, the Dexter Prize Speaking Contest is held, and the tryouts for "Witness for the Prosecution" are announced. The French Club sells baked treats, the Spanish Club dines at a Spanish restaurant, and S.F.S. sponsors its annual trip to Boston. In preparation for the holidays, Mr. Munger threatens to send letters to parents of seniors who haven't filed their applications, and Mrs. Shainheit strong arms the students into returning books before vacation. To lift our spirits, the Megaron and Dining Hall are decorated, there is a Holiday Concert by the W.A. band and chorus, and the first major snowstorm in several years gives everyone a day off. In keeping with tradition, Mr. Cataldo has the snowball policy printed in the daily bulletin. The month ends with several seniors getting accepted to colleges early decision and senioritis sets in. The long awaited day of December 18th finally arrives and everyone heads home to enjoy Christmas break.

Across the Frozen Tundra

Winter has completely set itself upon the life at the "WA". The campus (known as the Tundra) is covered with footprints of a few brave students. The activity of all is gladly contained within the buildings. Walker Hall is busy with seniors rushing applications, SAT grades and teacher recommendations to their various destinations. The third floor (as usual) varies in temperature by 20 to 30 degrees each day, depending upon how fast Mother Nature whips the wind over "the sunset guilded hilltop." Miss Willey and Mrs. Shainheit are removing unauthorized persons from the Language Lab and Library respectively, usually for overactive vocal cords. The Kingsley, warm for the first time in many years, is in constant academic motion, from Mr. Thorn's lessons on art techniques in the basement to Mr. Freeman's explosions on the third floor. The gym is constantly active with athletes from the little seventh graders to the large economy size football stars. Mr. Blackburn is quickly readying another New England Championship Team, already 10-1. The tubby wrestlers are jogging around in their weight reduction suits, while the swimmers do endless laps in the pool. The Hockey Team shuffles out for another practice at Holy Cross' Heart Center and Doc is whirlpooling all the injuries away. The month ends with the Annual Snow Sculpture Contest, the first since 1978. The sophomores took first with a preppy alligator and the seniors took second with a mighty dragon (good job Jill).

With February 14th just around the corner, the cheerleaders begin their annual carnation sale and bring the Valentine spirit to W.A. Spring is still nowhere in sight, but to boost our spirits the campus organizations are busier than ever. The Ambassadors hold a bake sale, the Spanish Club a taco sale, and the French Club decides to take in a play. The Winter Prize Speaking Contest provides another entertaining assembly and the grub day sponsored by the seventh grade gives teachers and students alike a break from the dress code. Clio heads toward the Kennedy Library, while the Theater Club journeys to see **The Best Little Whorehouse in Texas,** and the Varsity Math Team clinches second place in Division A. For H.K.A., this month is extremely hectic, as the club not only produces the winter play "Witness for the Prosecution" but holds tryouts for the spring musical as well. The juniors are making appointments to see Mr. Munger, while the seniors are entering the last leg of their career by choosing spring term English electives, voting for senior superlatives, and getting measured for caps and gowns.

Who killed Miss Emily French? Was it Janet MacKenzie, Miss French's loyal and faithful housekeeper, who was in line for the inheritance? Was it her butler, because the butler always does it? But then again, she didn't have a butler so he couldn't have done it, could he. It could have been Leonard Vole, but he's too nice to kill anyone. And if he did kill Miss French, then why did that strange woman go to Sir Wilfrid Robarts' and say that Romaine Heileger Vole did it? It must have been Romaine Heileger!!!! Only Inspector Hearne knows for sure. Of course it could have been the director, Bill Taylor. Or the technical director, Richard Winters. Maybe she isn't dead at all. Maybe she is just caught in the revolving set. Mersedeh knows but she's not telling. Then again, it could have been Agatha Christie. She wrote the play. But she's dead. Who killed Agatha Christie?????

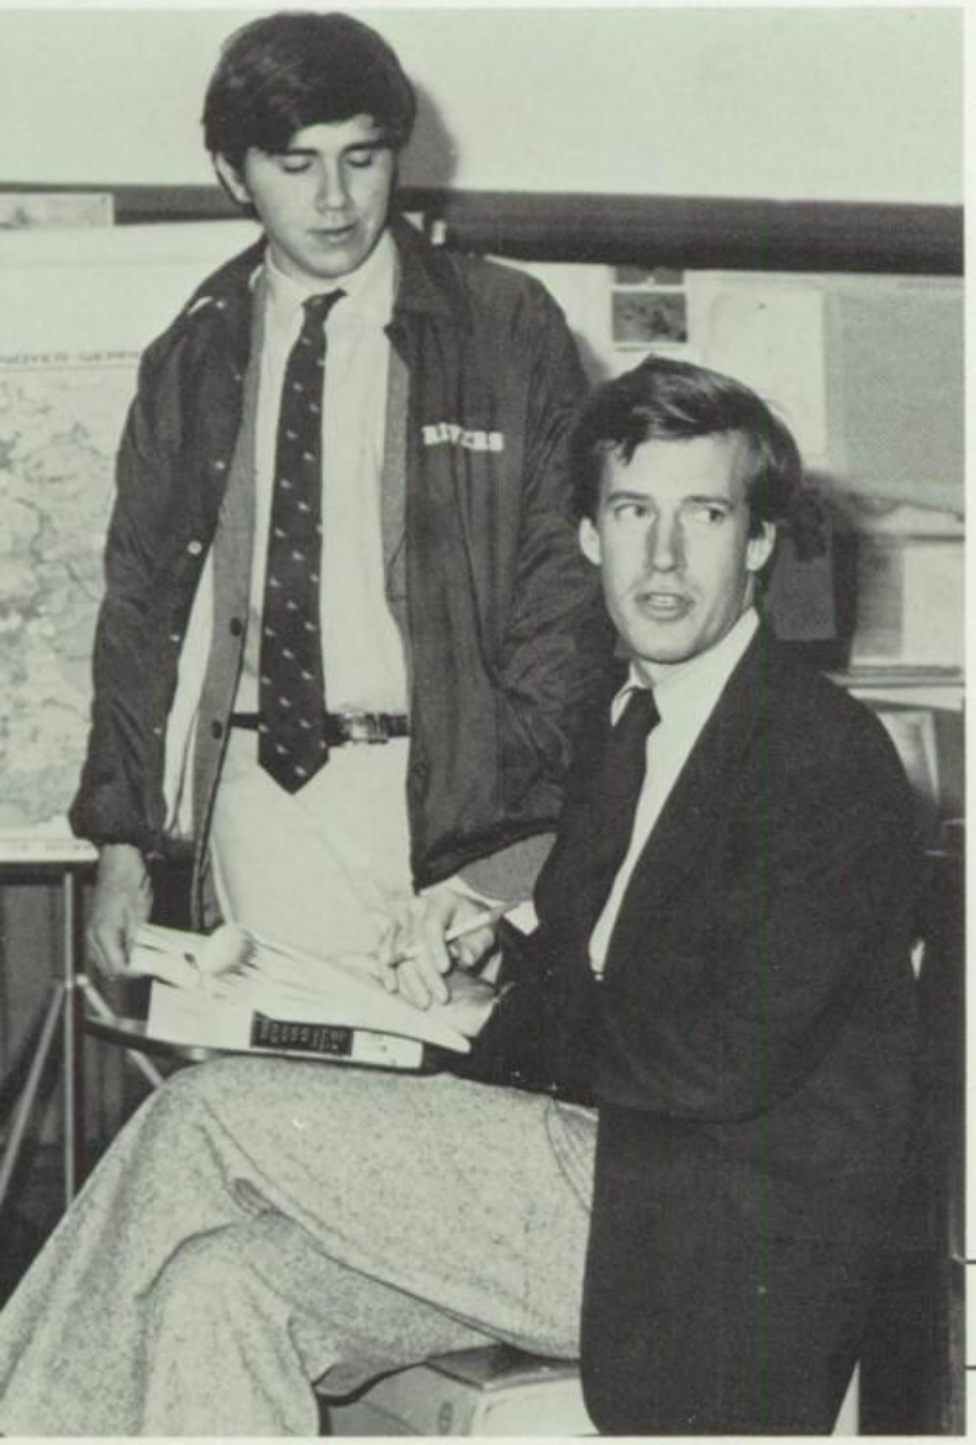
Although March is one of the shortest school months, it is one of the most hectic times at W.A. School activities are dominated by the victory of the Chess Team at the 1982 Massachusetts Prep School Chess Championship and the music recital performed by the W.A. chorus. Planning ahead for the final school events, the seniors are auctioned off for slave day and juniors and seniors receive their prom invitations. The end of the second term is inevitably marked by exams and winter athletic awards, while the new term is initiated by the planning of spring sports and club events. The final weeks of March are set aside for vacation and the long awaited school trips to Spain and France or London.



Are both your oars in . . .

Senior Anxiety

Returning from spring break everyone looks forward to the final term and eventually the finish of the school year. Clubs are still going strong with the scheduling of the Varsity Club blood drive and plans for Clio to visit Salem, Boston, and Newport at various times during the month. The final Dexter Prize Speaking contest is held, the Math Team travels to the State Tournament where they clinch third place, and Dexter South is rewarded with steak dinners for their success in the intramural dorm activities. The annual tag sale sponsored by the Thimble Club attracts a variety of people to the Megaron, while Mrs. Siekman's office is the site of the sale of all unclaimed lost and found articles. School finances are set straight as slave payments are made and the bookstore and gym announce that strictly cash transactions are acceptable. As the month comes to a close underclassmen choose next year's courses and the seniors decide which college they will attend in the fall.

Spring Fever

The final month has arrived and preparations are made to ready the campus for the quiet summer season. Pictures are snapped for yearbook photos, the Varsity Club members dine on roast beef, and Mrs. Shainheit tries to close the library with all books returned. The hard work put into the spring musical "Kiss Me Kate" pays off with another hit production, the Varsity Math Team triumphs in fifth place at the New England Math Meet, and the first and final edition of Lance is distributed. The Jr.-Sr. Faculty Basketball game proves to be another faculty victory and the clock made by Greg Danas is displayed in the Rader Room. With thoughts of summer an advanced life saving course is offered, while realization of fall term college courses initiates plans for taking the A.P.'s. Even the assemblies have a note of finality and awards are presented for academics, athletics, and extracurricular activities. The French Club spon sors the last grub day and seniors loo forward to vacationing on Memoria Day. Thoughts turn to the next aca demic year as both clubs and unde classmen hold elections. At the end o May the only remaining school occu rences are exams and graduation Underclassmen have W.A. to look fo ward to next year, while the senio anticipate bigger and better things o the college level.

Kiss Me Kate

When production for "Kiss Me Kate" began, many were apprehensive as to whether the show would enjoy the success that past Academy musicals have had due to several complications in scheduling. With this in mind, the cast seemed to draw together in rehearsals, putting in extra effort and staying after that five extra minutes to perfect a difficult or belt out a particular note.

With "one week" left they "rehearsed and rehearsed", the result being a fine performance that even the musical's writer, Cole Porter (a past Academy graduate) would have admired.

The show concerned the backstage controversies that occur during a production of William Shakespeare's **A Taming of the Shrew.** The leads, a recently divorced acting couple, find that they must once again perform together, though only through the coaxing of a pair of gangsters does the wife finally consent to go on. The play concludes with a reconcilliation between the couple and a splendid show.

"Kiss Me Kate" was an outstanding H.K.A. achievement, and one which shall be fondly remembered in the future. The directors, William Taylor, Richard Winters, Brigette Bossidy, and Leanord Sharaon, as well as the performers and crew, are to be congratulated.

PHOTOPLAY

Towers, the school yearbook, chronicles our life and times at Worcester Academy. It serves as the memory of our school. It is a collection of photos and writing of the past year, so that in future years we may look back on the memories of the "W.A." Towers will help us look back and laugh or look back and cry. This year, it was made possible by the hard work of a small but dedicated group of students under the guidance of the faculty advisor, Mr. Irving Freeman.

NEW YORK TIMES

This years Vigornia staff started a precedent which will probably continue in the future. Co-editors James Goldsberry and Mary Beth Nadeau shared the responsibility of shoveling through the articles and pictures and organizing an interesting, student-involved paper.

The fudging and cutting that was done made laying out the paper like a jigsaw puzzle.

Despite late articles and deadlines, the staff managed to produce the issues that even the students read. Pat yourselves on the back everyone on the staff of 1982; you deserve it.

READER'S DIGEST

Work began on the 1982 Lance early in the year when writers were recruited and literary works compiled. A group of readers were then assembled to read the pieces and select those which were to be published. After several trips to the printers, the work on Lance was completed.

The finished product consisted of a wide variety of prose, poetry and satire that proved to be entertaining and intriguing. The stories were written by a vast number of people ranging from seventh graders to faculty. The large number of underclassmen contributors indicates the success of future editions of Lance. This year's editors were Beth Hildick and Jeff Lubin. At the end of the year, the responsibilities of Lance were turned over to next year's editor, Julie Gilley.

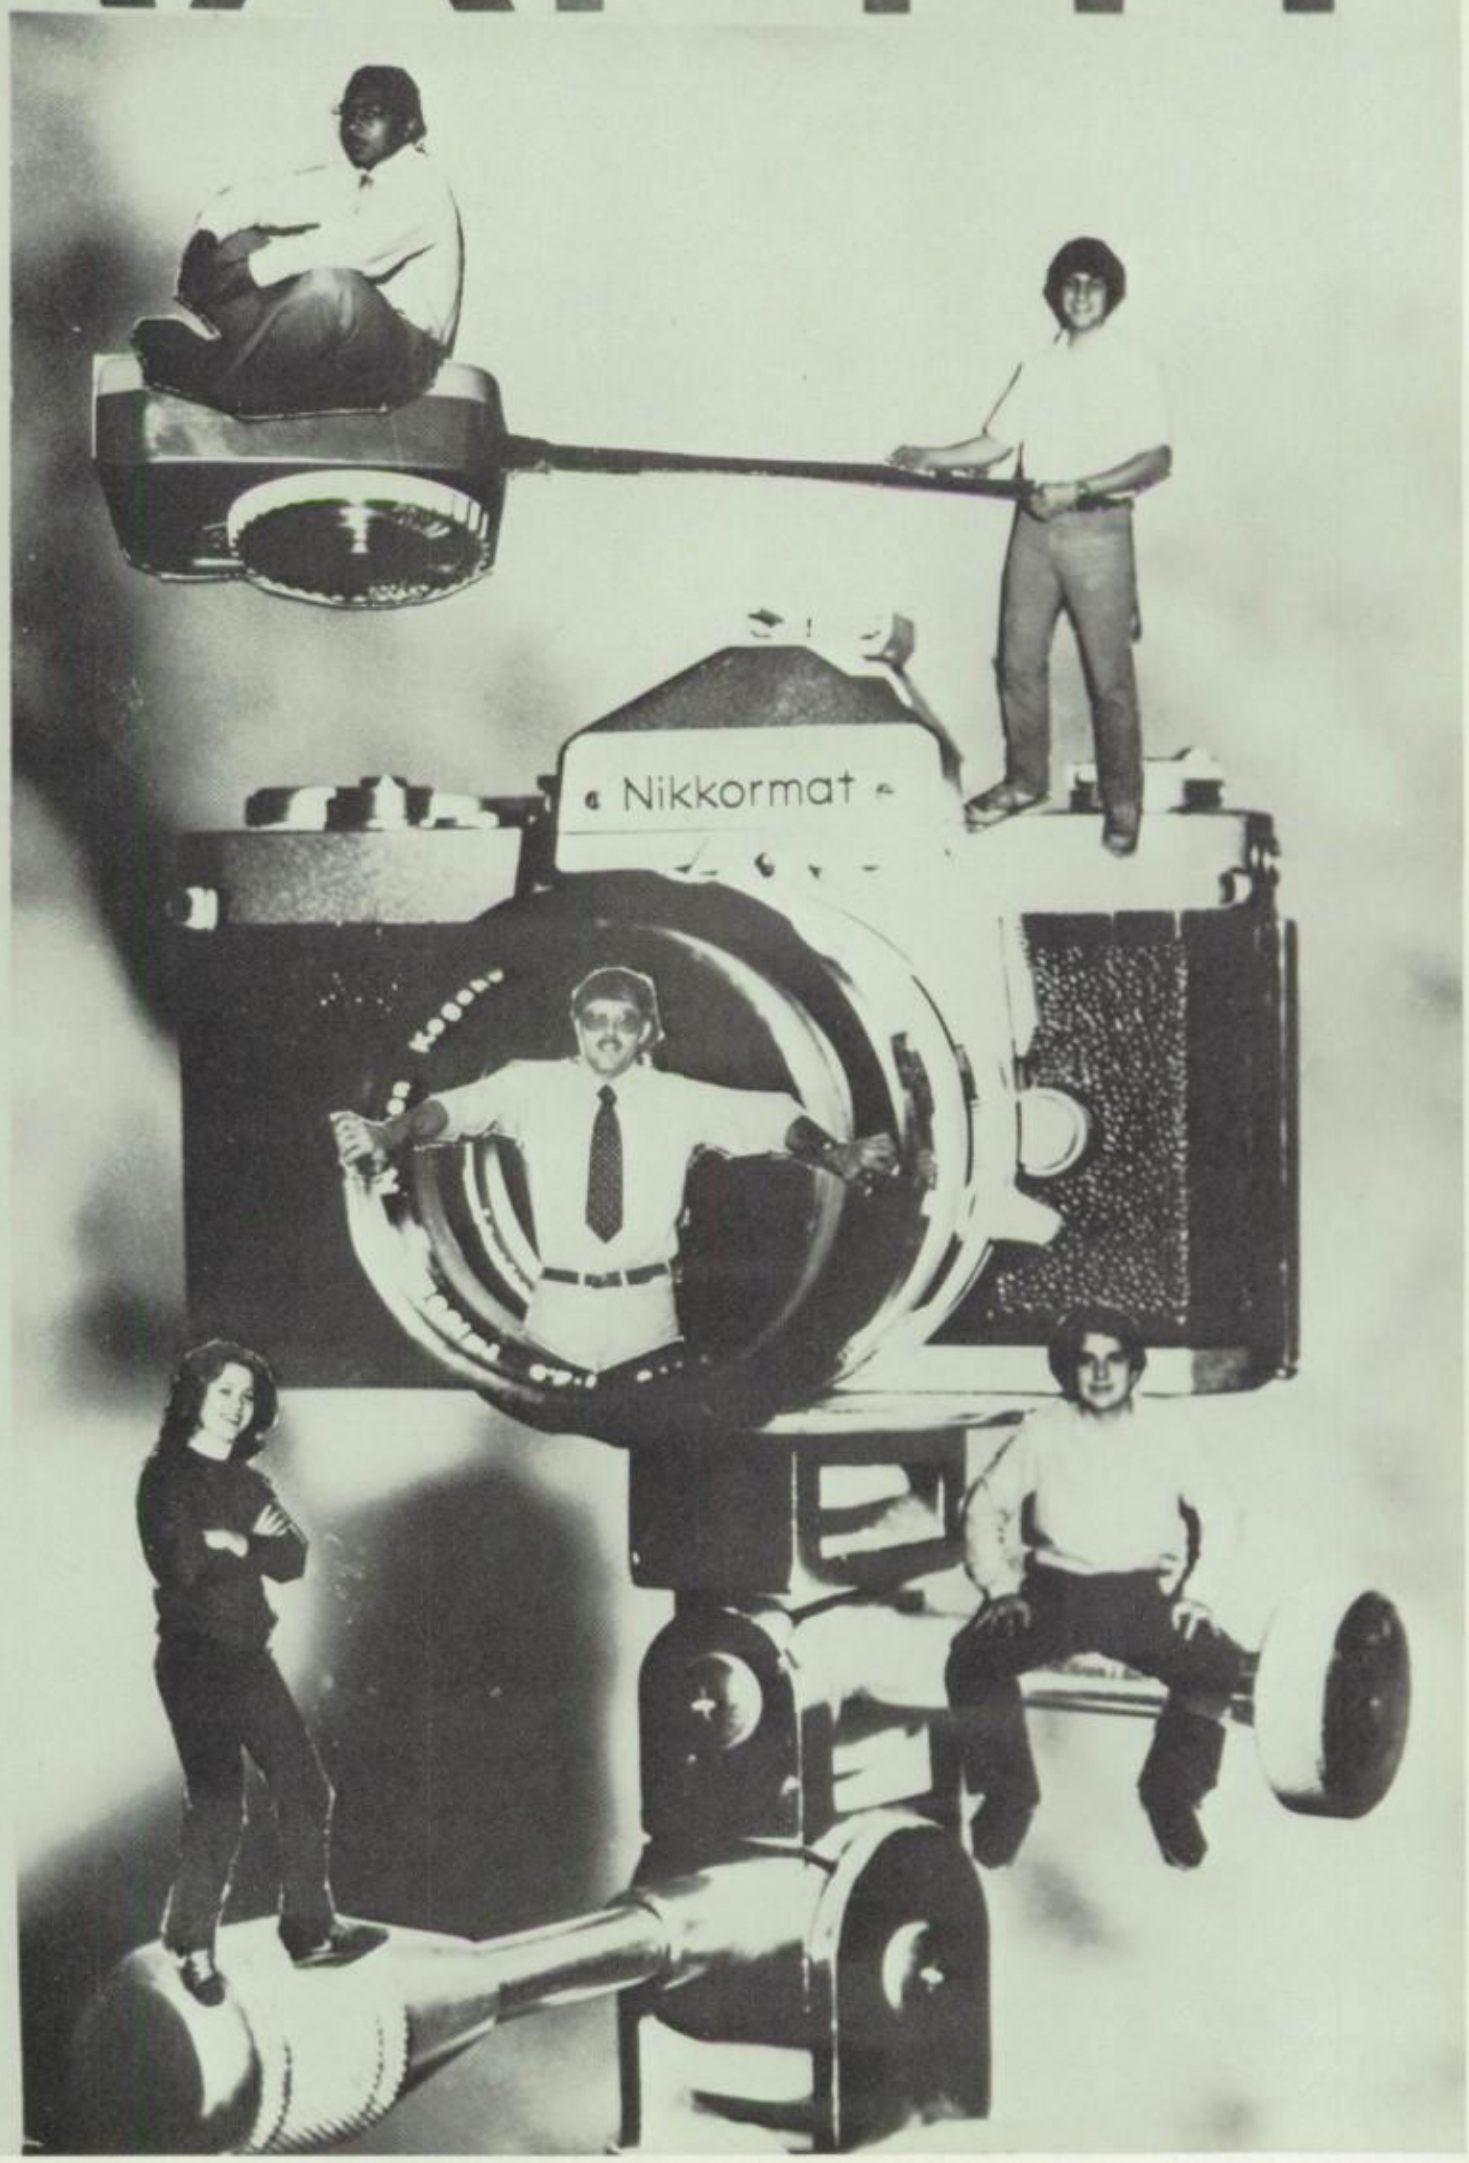
THE PHOTO CLUB IS ONE OF THE MORE ACTIVE ORGANIZATIONS ON CAMPUS. THE CLUB WENT THROUGH SOME CHANGES THIS YEAR AND WILL CONTINUE TO EVOLVE. THE CLUB IS STILL LOCATED IN THE BASEMENT OF HEYDON HALL. IT STILL SELLS PHOTOGRAPHS TO W.A. STUDENTS TO SUPPORT ITSELF. IT STILL PROVIDES PHOTOGRAPHY FOR THE VIGORNIA AND TOWERS. LEAVING THIS YEAR ARE RALPH ENGWALL, ROGER DILBARIAN AND PHILIP DUQUETTE. SUCCEEDING THEM ARE BILL GARDINER, DAN LOMBARDI, RON MALONEY AND MIKE SEIDMAN, ALL UNDER THE LEADERSHIP OF JULIE GILLEY AND THE GUIDENCE OF IRVING FREEMAN.



NCAA

This year the Varsity Club was very successful. Varsity Club is the largest on campus and it is open to any Varsity Letter winner. This year it was successful because of its many activities such as selling candy at the games and the annual blood drive, in which they got eighty-eight pints. All this happened because of the fine leadership of President, Jeff Lubin, Vice President, Jim Goldsberry, Treasurer, Kelly Blackburn, and Secretary, John Drossos. The year culminated to the major event, the Varsity Club Dinner, which was a great success.

ALL IN THE FAMILY

CHIPS AND SLIVERS

Chips and slivers is a growing organization comprised of relatives of Worcester Academy alumni. A chip is a son, daughter, grandson, granddaughter, etc., of any Worcester Academy graduate. A sliver is a student related to any Worcester Academy alumni. This year Chips and Slivers had their annual banquet at the Abercrombie House. The banquet provides an opportunity for past and present Academy students to mingle. This year Chips and Slivers elected officers for the first time. The president was Julie Jacobson who was both a chip and sliver. The vice president was Kelly Blackburn who was a sliver. The secretary/treasurer was Katie Macko, a sliver.

U.S. SENATE

This year's Student Faculty Senate had a very successful year under the guidance of John Drossos as president. Other officers were Julie Jacobson, vice-president, Melissa Herideen, treasurer, Melissa Abodeely, secretary, Marty Reardon, Parlimentarian, and Mitra Morgan, historian. The Senate sponsored many events, the major being the Homecoming parade, poster contest and dance, the Winter Carnival which included a snow sculpture contest and dance, and various bus trips to places like Quincy Market, and the basketball tournament. The Senate sponsored an intramural tournament between the dorms with the victor, Dexter South, receiving a steak dinner. Soccer and basketball games were conducted between the Jr's, Sr's and Faculty. Donations were made to four different departments. The infirmary received $250 for an incubator for throat cultures, the athletic department was given $280 for a glassed in bulletin board, $70 was given to the history department for a portable movie screen, and the Senate's major donation was one of $400 to build a display case for presentation of student art on the landing between the first and second floors of Walker Hall.

UNITED NATIONS

The International Relations Club (I.R.C.), under the direction of Miss Cynthia Bertozzi, traveled to Washington D.C. to the Nineteenth North American Invitational Model United Nations, held at the Sheraton Washington Hotel, February 11-14, 1982. The students participating were Meghan Gannon and Melissa Herideen, co-presidents, Kristyne Athanas, vice president, Sangeeta Patel, secretary, and Joanne Jacobson, treasurer. Worcester Academy represented Paraguay in the General Assembly. It was a very successful trip because the students not only learned parliamentary procedures and actively participated in block meetings but enjoyed Georgetown and the many historic sights our nations capital has to offer.

SCREEN ACTORS GUILD

Each year, when those graduating seniors who perform with the H.K.A. (formerly E.K.A.) take their leave and make way towards professional lives, many speculate that the Worcester Academy theatre arts will suffer due to their absence.

Once again, this has been proved false, thanks to the blooming talents of several veteran performers and the welcome addition of a few new ones as well. Seemingly the school's acting department has grown in popularity due to the remarkable success of past dramatic productions. This was best exemplified through the organization's 1981-82 season of three fine shows: "Time Out For Ginger", "Witness for the Prosecution" and "Kiss Me Kate", all outstanding accomplishments.

Jim Lebowitz, Michael Glazer, Seth Avergon, Jolayne and Mary Beth Nadeau, Rebecca Huntley, and Ruth Baylis, the most recent H.K.A. rookies, all contributed to the many achievements which have made the organization what it is today. Already it is possible to witness the pure potential these students have, and the fine future that lies ahead of them in college performing arts.

It was due to the combined efforts of these new talents and several actors from the past that the troup has preserved the H.K.A.'s fine reputation with pride and professionalism.

TONIGHT SHOW

This year's Dexter Prize orators were worth keeping off the firing lines. No one made political speeches or spoke for longer than fourteen minutes. The majority of the pieces were satiric, comic or downright silly. Future contests are going to have tough competition because only two of eight speakers were seniors, Jim Liebowitz and Mary Beth Nadeau. The remaining speakers, mostly sophomores, are good because they enjoy reciting and they make that quite apparent during their bouts in front of the school. These remaining speakers are: Kelly Reardon, Micheal Glazer, Alex Kay, Joe Newhart, Sok Doh, and Jim McNamara.

BOSTON SYMPHONY ORCHESTRA

The Worcester Academy Wind Ensemble, conducted by Mr. Sharron, had another successful year. Choosing pieces proved to be not as difficult as past years. The surprising expertise of the dual trombonists, John Kirsh and Fred Collins, allowed for less rewriting. Martin Andes and Michael Seidman led the trumpets with their fluency. Kathy Breshnihan kept the beat on the timpani, the two trombones and Jim Lockman on baritone drove the band as low brass.

Homecoming was quite a success for the band, with a surprise appearance by Michael Glazer on the saxaphone. The Ensemble performed in three concerts, each presenting a variety of music ranging from classical to contemporary.

A majority of the group will return in the fall, except Fred Collins and John Kirsh. With this thought in mind, the Ensemble hopes for an equally surpassing year with the returning and new talent.

MORMON TABERNACLE CHOIR

This year's chorus was very successful. It was lead by Miss Bridget Bossidy. They did many things including the Spring Musical, "Kiss Me Kate". Soloist Kelly Blackburn drew a lot of attention, and enthusiastic applause. The chorus also formed a group of seven singers called the Afterschool Specials. They met afterschool once a week to perfect their singing style and go over new material. They are looking forward to a great season next year, with many remaining students, and hopefully, new ones as well.

OUI

This year the French Club was very successful. With the guidance of the advisor, Mrs. Benitez, and the co-presidents Mary Beth Nadeau and Tracy Spool, the French Club managed to earn a lot of money for a French Club dinner. They had two great crepe sales and one bake sale. This year they had a quaint French dinner, with authentic dishes. They also saw several French movies and plays. Leadership included Jolayne Nadeau vice president, Marc Bony secretary, and John Calianos treasurer. They had a great year and look forward to a fun year ahead.

SOUTH OF THE BORDER

The Spanish Club was very successful this year. They had two Taco sales which helped raise money for the activities. They also sold soda in the dorms and at lunch. Then they went to Boston twice. They had a Mexican meal and a Spanish meal and saw a Spanish film. The highlight of the year was the trip to Spain and France over spring break. They had a very good year due to the leadership of President Kris Athanas and advisor, Mr. Benitez. The Spanish Club looks forward to an equally enjoyable year, next year.

This year the varsity Math Team had its most successful year ever. The team started the season in Division B but, joined the tougher competition of Division A because of a remarkable performance at the 1st meet. Through the four meets the team continued to uphold its winning tradition and finished in second place in the Worcester County Math League with an impressional record of 71-4-1. Six of W.A.'s mathematicians placed among the top twenty scorers, Carlos Delhumeau ranked 3rd, Beth Hildick 5th, Phil Lim 6th, Tony Losapio 9th, Steve Barrow 10th, and Sergio Mendoza 19th.

The team continued on to the State Tournament where W.A. defeated all medium schools and placed third among the small schools. Beth Hildick was the top scorer of the team, and Phil Lim and Steve Barrow were top scorers for the sophomores and juniors in the small school division. For the first time, the team qualified for the New England Tournament. The Freshman Team also performed commendably, and finished 3rd in Division B. The team's top scorer was Sok Doh, who ranks 8th in the League. The Math Team is loosing several members, but under the guidance and leadership of Coaches Bloom, Delaney, and Hellen, the success of the W.A. Math Teams will continue.

U.S. CHESS TEAM

The Worcester Academy Chess Club had a very good year. It was a successful year, even though, due to Proposition 2½, the inter-scholastic Tournaments were eliminated. But, we came out of the season with a 3-1 record. The two highlights of the year were a tournament held here at W.A., where Philip Lim tied for 1st place with two others in his first tournament. The other highlight was a five player tournament, where we captured 1st place overall, and second among the high schools. All in all the year ended successfully and we look forward to next year.

MONEY MAKES THE WORLD GO ROUND

COIN AND STAMP CLUB

The most recent addition to Worcester Academy's extra-curricular activity list, the Coin and Stamp club, met with reasonable success, as it sought out the school's more ardent numismatists and philatelists and transformed them into traders and buyers.

The purpose of this newly founded organization is to view others coins or stamps and possibly obtain knowledge into new realms of each field.

The clubs most outstanding achievement was an exhibit featuring rare, unusual, and sometimes valuable coins and stamps.

Most promising of all is the club's future thanks to a very competent, enthusiastic advisor, Dr. Sonya Glazer, who founded the organization in the hopes of providing a wider selection of extracurricular activities to the students.

The club is constantly open to new members, though it already possesses representatives from most grade levels.

ANTIQUARIAN SOCIETY

Clio got off to another illuminated year with a record of 15 members. The highlights of this year included trips to the Kennedy Library in Boston, to Salem, and to a historical dam in Gardner. Continuing the tradition, the second annual trip to Newport, R.I. The final trip was to Cambridge. Leadership of Clio this year was Mary Beth Nadeau president, Robert Meltzer vice president, and Jane Driscoll secretary-treasurer. Mr. Miller was the advisor and provided a good time for all.

THE EMMISARRIES

The Worcester Academy Ambassadors of Goodwill are a group of students, appointed by the Administration, who help out at Academy functions.

In the past, the Ambassadors have worked only on Registration Day. This year they have worked on Homecoming, the rededication of Kingsley, Test Day, Chorus recitals, Alumni Day, and Registration. They have also had two bakesales to raise money.

The Ambassadors have truly become an asset to the Academy community; this will continue in the future.

The Varsity football team, although not attaining the coveted undefeated season, had a very satisfying season at 7-1. The lone loss came Homecoming against Andover in a game that could have just as easily been won as lost; however, the squad lost the battle against time. Coach O'Keefe, along with coaches Cataldo, Fouracre, and Grosel pushed the team to the maximum. The hard work put out by the team and coaching staff paid off as the team came back after the loss and never looked back. The offensive line was anchored by Steve Marks, Vinnie Mitz, and co-captain Joe Bromley. Carrying the ball behind their blocks were Bill Baldini, Darryl Bush, and M.V.P. Greg Brockwell. Throwing the passes was Paul Korfonta, constantly hooking up with Rob Canty, Gary Groves, and Tim O'Brien. The Defense was lead by George Williams, along with Paul O'Connor, Tom Guarente, Rich DeRosa, and the other co-captain, Guy Carbone. Kicking specialists were Paul Durosko and punter Frank Debartolo. The team claims the "New England Prep School Title" and the coaches hope to continue the recent success of Worcester Academy football as the best in New England.

The J.V. Football squad welcomed many new players as well as a new coach this year. Although compiling a mere 0-4-1 record, the team showed plenty of promise at times and was never really outmatched. All of the opponents the team played had as much as twice as many players. Coach Hyde and Coach Whittemore did a very commendable job, taking time out every day after school to work the team in preparation for their battles each Wednesday. The team will have Mark Herrman, Mike Buduo, and Ed Sherr, as well as team co-captains Frank Sherman and Alex Efstratios returning next year and look forward to a better sophomore season under Coach Hydes's leadership.

The varsity soccer team was very successful this year. The team played competitively in all its games this year. Great playing came from James Goldsberry, team captain, and Tom Siegel, most valuable player. Goldie and Tommy were major forces on the field with excellent field sense and skills. Most impressive were two ties against perennial New England powerhouses, Cushing Academy and Pomfret School.

With a 7-0-2 record, the 1982 Worcester Academy girls' soccer team registered its sixth straight winning season and its first undefeated season ever. Having graduated two starting halfbacks and all of last year's starting line except for team captain and right wing, Kelly Blackburn, the girls looked to their experienced defense and wing halfbacks to provide a stable base for what was to be a tentative offense. Not surprisingly, goalie Paige DeMallie, second year most valuable player Carol Goldsberry at centerfullback and wing fullbacks Betsy McKay and Sarah Manoog more than provided that base as the girls outscored their opponents 26 to 5, registering five shutouts in the process. The team co-hered early enough to win convincing-ly its Homecoming opener 3-1 against Moses Brown and to go on to its first silver season.

This year's J.V. soccer team was mainly composed of freshman and prefreshman. The team's offense was lead by Brian Carroll, Don Rissling, Gordon Robertson, John Synder, and Nasib Natt. Defense was maintained by Zach Gianaris, Tav Morgan, and Rob Shack. Goalies were Jim DeMallie and Andreas Guth.

The team started it's season with a win over Lawrence and then slumped, to lose eight of the next nine games. They played well against Moses Brown, Pomfret, and Winchendon. In the game against Winchendon they came back from a 3-1 deficit to tie the game at 4-4 with the help of a hattrick by Brian Carroll but then lost in the last seconds of the game on a Winchendon score.

Another highlight of the season came with the defeat of Cushing Academy in a close race; 27-29. The team held its own against some tough opposition finishing the season with an even five wins, five losses. All runners worked very hard throughout the season. Kathy Houston remained undefeated and set many course records. Special honors went to Motomu Suzuki, team captain, and David Spector MVP.

Finishing the season with a 21 and 2 record, Worcester only met defeat twice at the hands of Sprigfield College J.V. and Lehigh University J.V.'s. The outstanding record included wins over Brown, Harvard, Tufts, Andover, Exeter, and Tabor. Two of the most exciting wins occured at Lafayette with a double overtime victory 78-77 and a 53-51 win over Northfield Mt. Hermon with the winning basket coming in the last second of play. The Hilltoppers won their second straight, and 5th out of the last 6, Class A Tournament championships by defeating Bridgton Academy 67-64 in the semi-finals and Northfield Mt. The girl's basketball team had a successful season, clearly demonstrated by their winning record of ten wins and three losses.

Going into Christmas vacation the girls were undefeated, having scored victories over the St. Marks School, Lawrence and Groton Academy. They fell to their two biggest rivals, Governor Dummer and St. Georges. At this point the girls rallied back to the highlight of the season — a double overtime victory over Williston-North Hampton. The girls took their final fall to a strong Suffield Academy. The girls finished their season strong, defeating their last six opponents.

The M.V.P. award went to third year veteran Paige DeMallie. The team elected Paige and Julie Jacobson as co-captains.

The girl's outstanding record reflects the hard work and dedication of the players and coaches, Donald Fouracre and Sylvia Bullock.

The Junior Varsity Basketball team competed in an outstanding season winning 13 out of 15 games and establishing one of the best Junior Varsity records in Worcester Academy's basketball history. The Hilltoppers, led by co-captains Paul McCauley and Chris Martin, won the first eleven games of the season with the help of three remaining starters, James Blackburn, Paul Peter, and Mark Nealon, who exhibited outstanding talent throughout the season. The team ended its streak with a loss in overtime to its long time rival Phillips Andover Academy. The J.V.'s had come-from-behind victories over the J.C.C., Whitinsville Christian School, and Tabor. Strong bench support came from John Chaisson, Andrew Lubin and Dave Spector. Next year the team looks forward to an equally successful season with many returning lettermen.

There were outstanding matches against Andover, Deerfield, and Exeter. The Hilltoppers also had two wrestlers undefeated in James Goldsberry and Joe Macri and three Class A champions that included Goldsberry, Macri, and Rolf Glessner. Glessner was also the New England champion in the 145 lb. class.

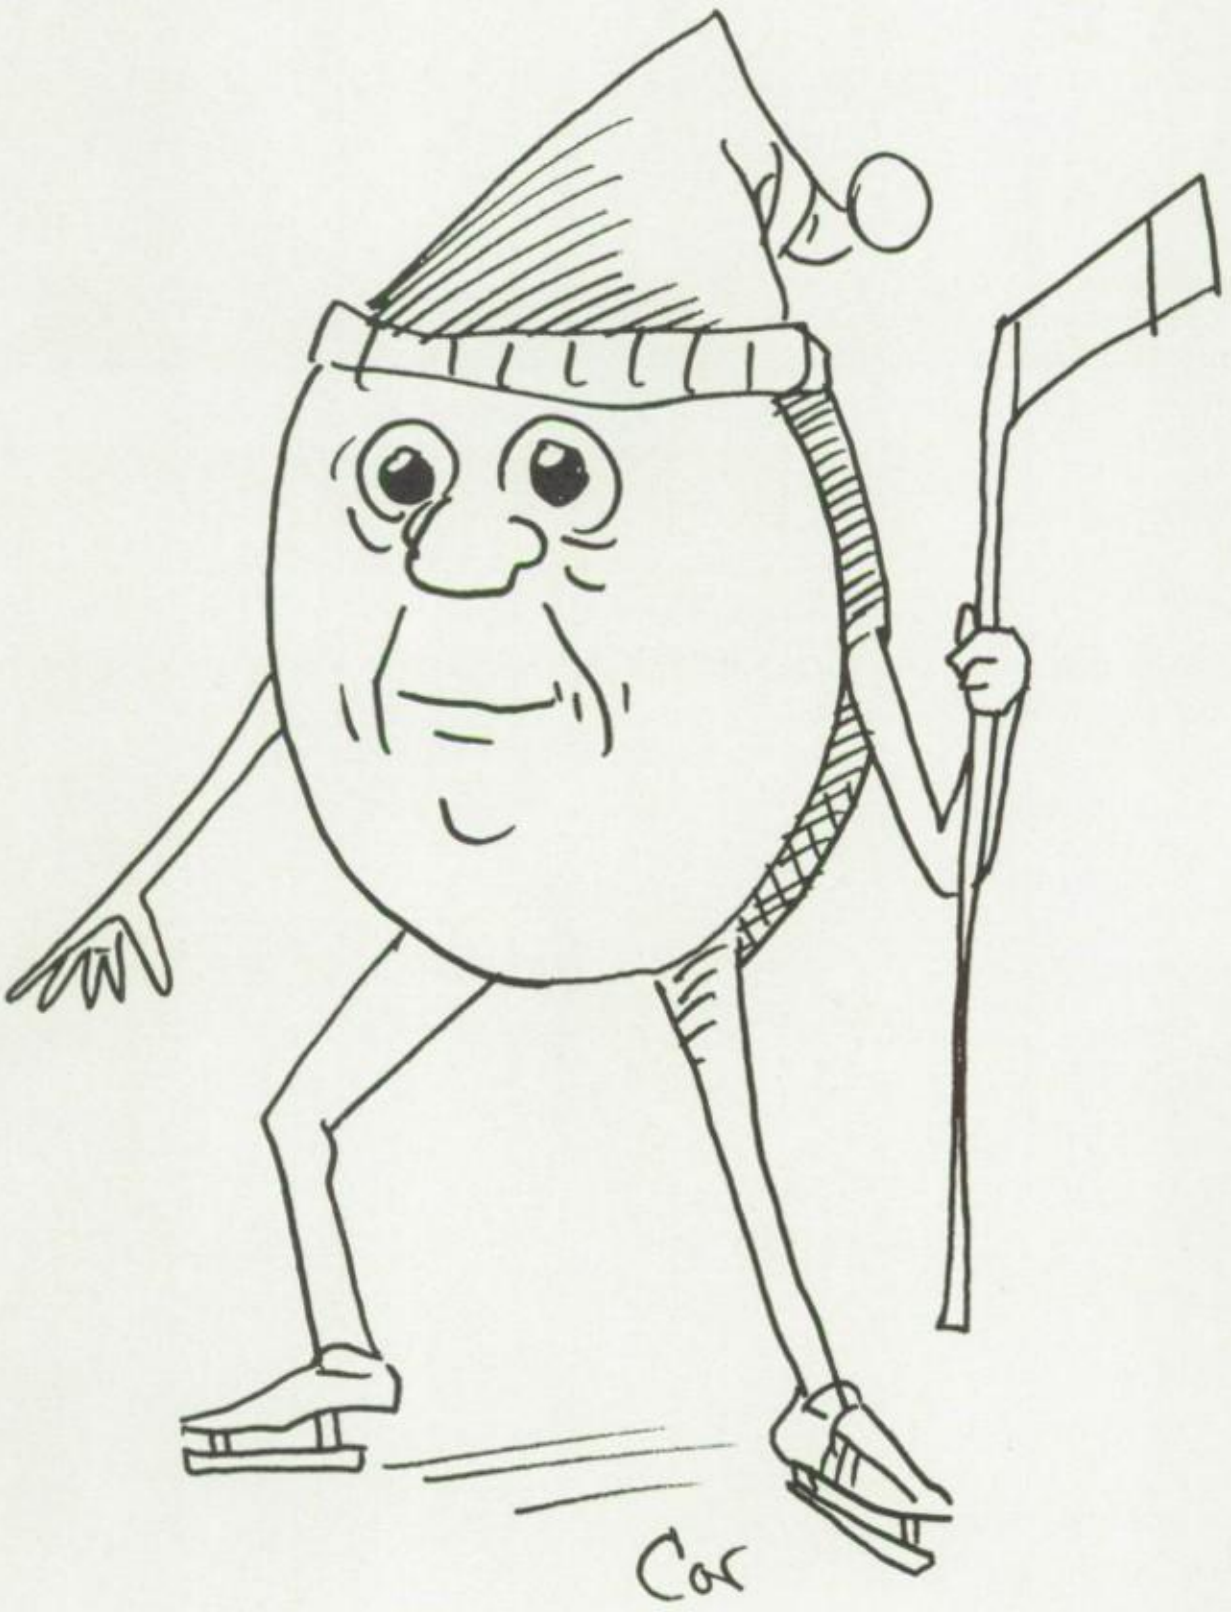
Hockey



Hockey

This year's hockey team finished the season with the best record in the school's history at ten wins and two losses. The highlight of this year's season was the 3-2 win over Portsmouth Abbey which avenged an earlier 7-6 overtime loss. The team's only other loss came at the hands of Williston Northampton School in their home rink. Worcester Academy was undefeated at home and won 6 of 12 games by 9 goals or more. Five players on the team had over 20 points for the season but none matched the 49 points scored by M.V.P. Andy Corcoran. Tony Ruzzo played a key role in the net and ended the season with a well deserved shutout of St. Mark's J.V. team. The team faced 5 J.V. teams this season, one less than last year. It appears that that figure may decrease next year due to the fine efforts of this year's squad. First year assistant coach Henry Cataldo did a fine job with the players and created an overwhelming amount of support and interest on the Academy campus.

Bottom row (l-r) Pam Whitehead, Bridget Lucey, Beth Hildick, Dawn Boulanger, Mitra Morgan, Katrina Cummings, Gail Milla. Middle row, Ruth Ann Baylis (mgr.), Maria Theresa Kientzle, Dorene Saltiel, Nooper Patel, Marv Beth Nadeau, Katie Macko, Coach Willey. Top row, Melissa Abodeely, Kelly Reardon, Jolayne Nadeau, Dierdre O'Neill, Bridget O'Neill, Meredith Grace, Mr. Siekman.

The 1981-1982 season for boys' swim team was not very rewarding. Though the record was not impressive, it did not reflect on the winning attitude of the team. This year saw the return of Motmu Suzuki, who again showed his fine swimming talents by being undefeated in the 100yd. backstroke. He was voted most valuable swimmer by his teammates. Also returning was two year veteran Brad Dunn, who showed great improvement and was a key factor for the team, he was elected captain. Alonzo Maldanaldo was named Most Improved Swimmer.

The girls' swim team had its finest season ever. Although its record is 1-5, that 1-5 represents the first win in the history of girls' swimming. A 93-74 win over Phillips Andover J.V.'s. The girls also contributed tremendously to the 4-4 record of the entire swim team in coed meets. The girls' captain was Pam Whitehead who swam in the 100 and 200 yard freestyle events. The team was also aided by the incredible talents of Gayle Milla, who broke the school record in five individual events. She was also on both record setting relay teams. The team looks forward to more wins in the future.

Cheerleading

Bottom row (l-r), Pam Whitehead, Dawn Boulanger, Ronda Ellis, Maria Mazzeo, Lori Bates. Top row, Leigh Bloom, Tricia Landen, Darlene Boulanger.

Each year the Worcester Academy Cheerleaders get better and better. This year was no acception, the squad cheered the school to victory. This year's squad included three returning seniors; Lori Bates, Dawn Boulanger, and Pam Whitehead, as well as two juniors and three sophomores. Annual events such as the Pep Rally were a great success, with the help of their enthusiastic coach, Mrs. O'Keefe. Not only did they accomplish a great deal, but they brought spirit to the school.

Winter Cheerleading — (l-r) Kathy Bresnahan, Darlene Boulanger, Julie Maloney, Andrea Mazzeo, Leigh Bloom, Ronda Ellis, Elaine Lundgren, Ursala Arello, Tricia Landen, Maria Mazzeo.

This year's winter cheerleaders were very successful. They led the Varsity Basketball team to victory. Their spirit helped all teams immensely. This squad was different because there were no seniors. But they were just as good as other Worcester Academy squads. One highlight of this year was the warmth and support given to our cheerleaders by the rival fans during the championship game. This year's captain was Maria Mazzeo. Next year's squad will be quite good because everyone is returning.

Varsity Baseball

1st row (l-r): Kevin Shouler, Peter Delahunt, Scot Prew, Tom Fryer, Paul Korfonta, Guy Carbone 2nd row: Coach K. O'Keefe, Steve Pourier, Jim Liebowitz, Gary Groves, Frank Debartolo, Rob Roberto, Joe Cochran

The Worcester Academy varsity baseball team completed the 1982 season with 15 wins against no losses to become the first team to finish unbeaten since 1962. Led by the strong pitching of Gary Groves, Kevin Schouler, and Frank DeBartolo, and a solid defense, Worcester allowed its opponents 53 runs while slugging out 181. The bats of Guy Carbone, Frank DeBartolo, Paul Korfonta, Scott Prew, and Gary Groves provided the punch that helped the Hilltoppers establish a new record for wins. The '82 team is now one of only four Academy baseball teams to be undefeated.

The 1982 girls' softball team saw a mixture of seasoned veterans and talented newcomers combine to give Worcester its 4th consecutive winning season. The year began on a positive note as the Hilltoppers avenged last year's loss to Mt. Hermon with a come-from-behind win. They displayed the same never-say-die attitude against Wilbraham and St. Mary's as they rallied from large deficits in both games. The high point of the year was their 13-5 domination of previously undefeated Cushing Academy in which the girls played a nearly flawless game from the first pitch to the final out. In addition to MVP Ellen Delaney and Captain Paige DeMallie, the Academy got some fine performances from veterans Erin Koomey, Maria Joseph, Kris Athanas and Missy Abodeely. Kate Macko, Mercedeh Mirkazemi and Pam Whitehead came on from last year's team to secure starting positions, while Theresa Nopprapun, Mary Andes and Julie Maloney provided some valuable depth for the ball club. While the four graduating seniors will be tough to replace, the current juniors and sophomores make the outlook rather promising for next year.

J.V. Baseball

1st row: Doug Sarno, Dan Finklestein, Martin Andes, Scot Quiana, Brian Carrol 2nd row: Pete Athanas, Tony Losapio, Jay Valley, Dave Lockman, Tamson Smith 3rd row: Coach C. Grossel, Jim Blackburn, Dov Freeman, Matt Andes, Zack Gianaris

Led by freshman pitchers Matt Andes and Jim Blackburn, the J.V. nine bounced back from a 1-3 record to finish at 5-3. Andes and Blackburn won 2 games a piece, down the stretch, and they were supported by the hard hitting of Jay Valley, Scott Quiana, Peter Athanas, and Tony Losapio. The infield was strong for most of the season and the outfield of Dov Freedman, Martin Andes, Dave Lockman, Brian Carroll and Zack Gianaris improved tremendously with each game.

Hellen 2nd row: Frank Mazzeo, Scot Hunter, Fernando Luna, Moto Suzuki, Daryl Bush, Steve Ellis, John Rhee 3rd row: Tav Morgan, Joe Neuhart, Ralph ngwall, Don Nelson, Doug Lubin, Brad Dunn 4th row: Carlos Delhumeau, Steve Barrow, Gary Sherr, Frank Sherman, John Zywien, George Hurley, Pat Galvin

Bullock 3rd row: Coach G. Hyde, Kelly lackburn, Dana Olson, Betsy Aaron, Julie Gilley, Jolayne Nadeau 4th row: Carol Goldsberry, Betsy McKay, Bridget Lucey

Due to a lack of depth and experience, the boys' track team fell to a record of 2-6, yet the season was highlighted by some outstanding individual efforts. The high jumping talent of Peter Callender, Robert Kopack and Pat Galvin combined to set a Deerfield record of 18'4". Pat Galvin also set a school record of 6'4" during that meet. Other performances of note include Frank Agbro's 20 ft. long jump, Donn Nelson's 41 ft. in the triple jump, and John Zywien's 48'5" in the shotput. The 4x100m relay team of Frank and Tony Agbro, Darryl Bush and Jeff Lubin continuously set the school record up to the New England's, where they placed 5th in their best time of 45.6 seconds. Also doing well at the New England's were Bob Kopack, 3rd in the high jump, Peter Callender, 4th in the long jump, Jeff Lubin, 6th in the 200m, and Frank Agbro, 6th in the long jump, 6th in the 100m and 5th in the 200m.

This year the girls' track team competed in seven meets, including 8 girls who went to the New England's. The girls won 2 meets and lost 4, however, they set several school records and won ribbons at the Deerfield Relays. The season was quite successful, not only for the record setters but for all the girls on the team. Most everyone improved their times as the season progressed and they also helped each other with encouragement and advice. As evidence of that improvement, the girls scored enough points in the New England Meet to earn 5th place among thirteen teams. One must note, though, that while the team performed well during this year, much credit for the success goes to those who worked hard during the previous years, because improvement in track requires more time and effort than a short seven to eight week season.

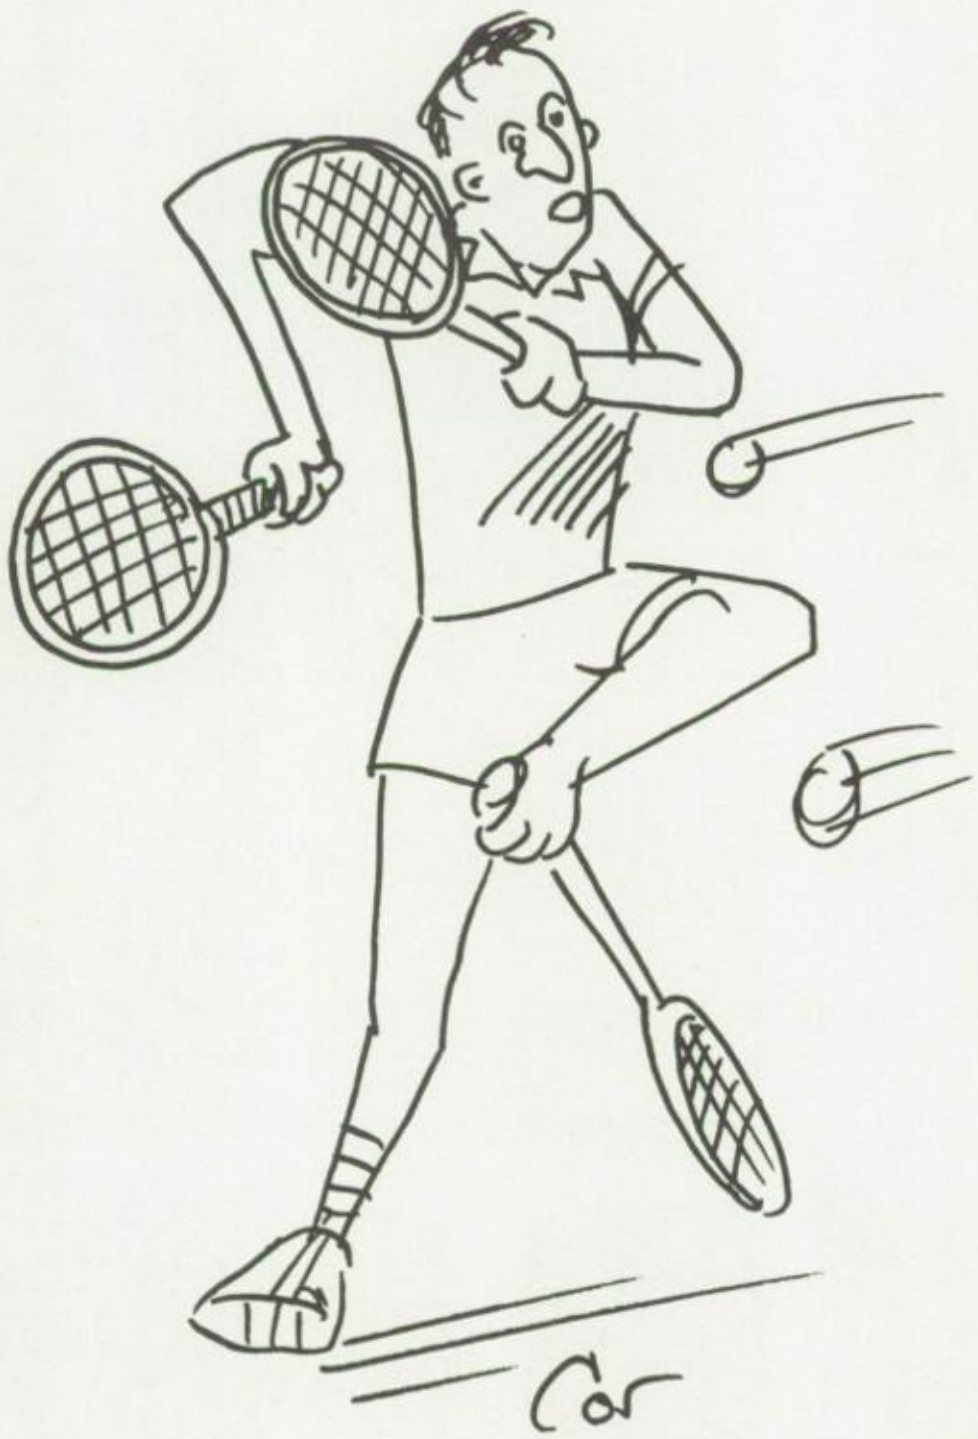
Tennis



Varsity Tennis

After an opening close match loss to Moses Brown, the tennis team went on to defeat the next 5 opponents. Included in that string of victories were strong wins over the W.P.I. JV's, Williston and Cushing Academies. The netmen finished the season with a 6-2 record, having been rained out of its matches with Pomfret and Lawrence. This record of 6-2 was the finest for a varsity tennis team in the last ten years.

J.V. Tennis

Junior Varsity Tennis had a very successful year coming out 3-3. They had great meets against Cushing, Wilbraham-Monson, and Winchendon School. The team should do well next year because everyone is returning, including Jon Benjamin and Gordon Robertson, who were this year's captains. Hopefully, next year they will beat Williston Northampton, Tabor and Deerfield.

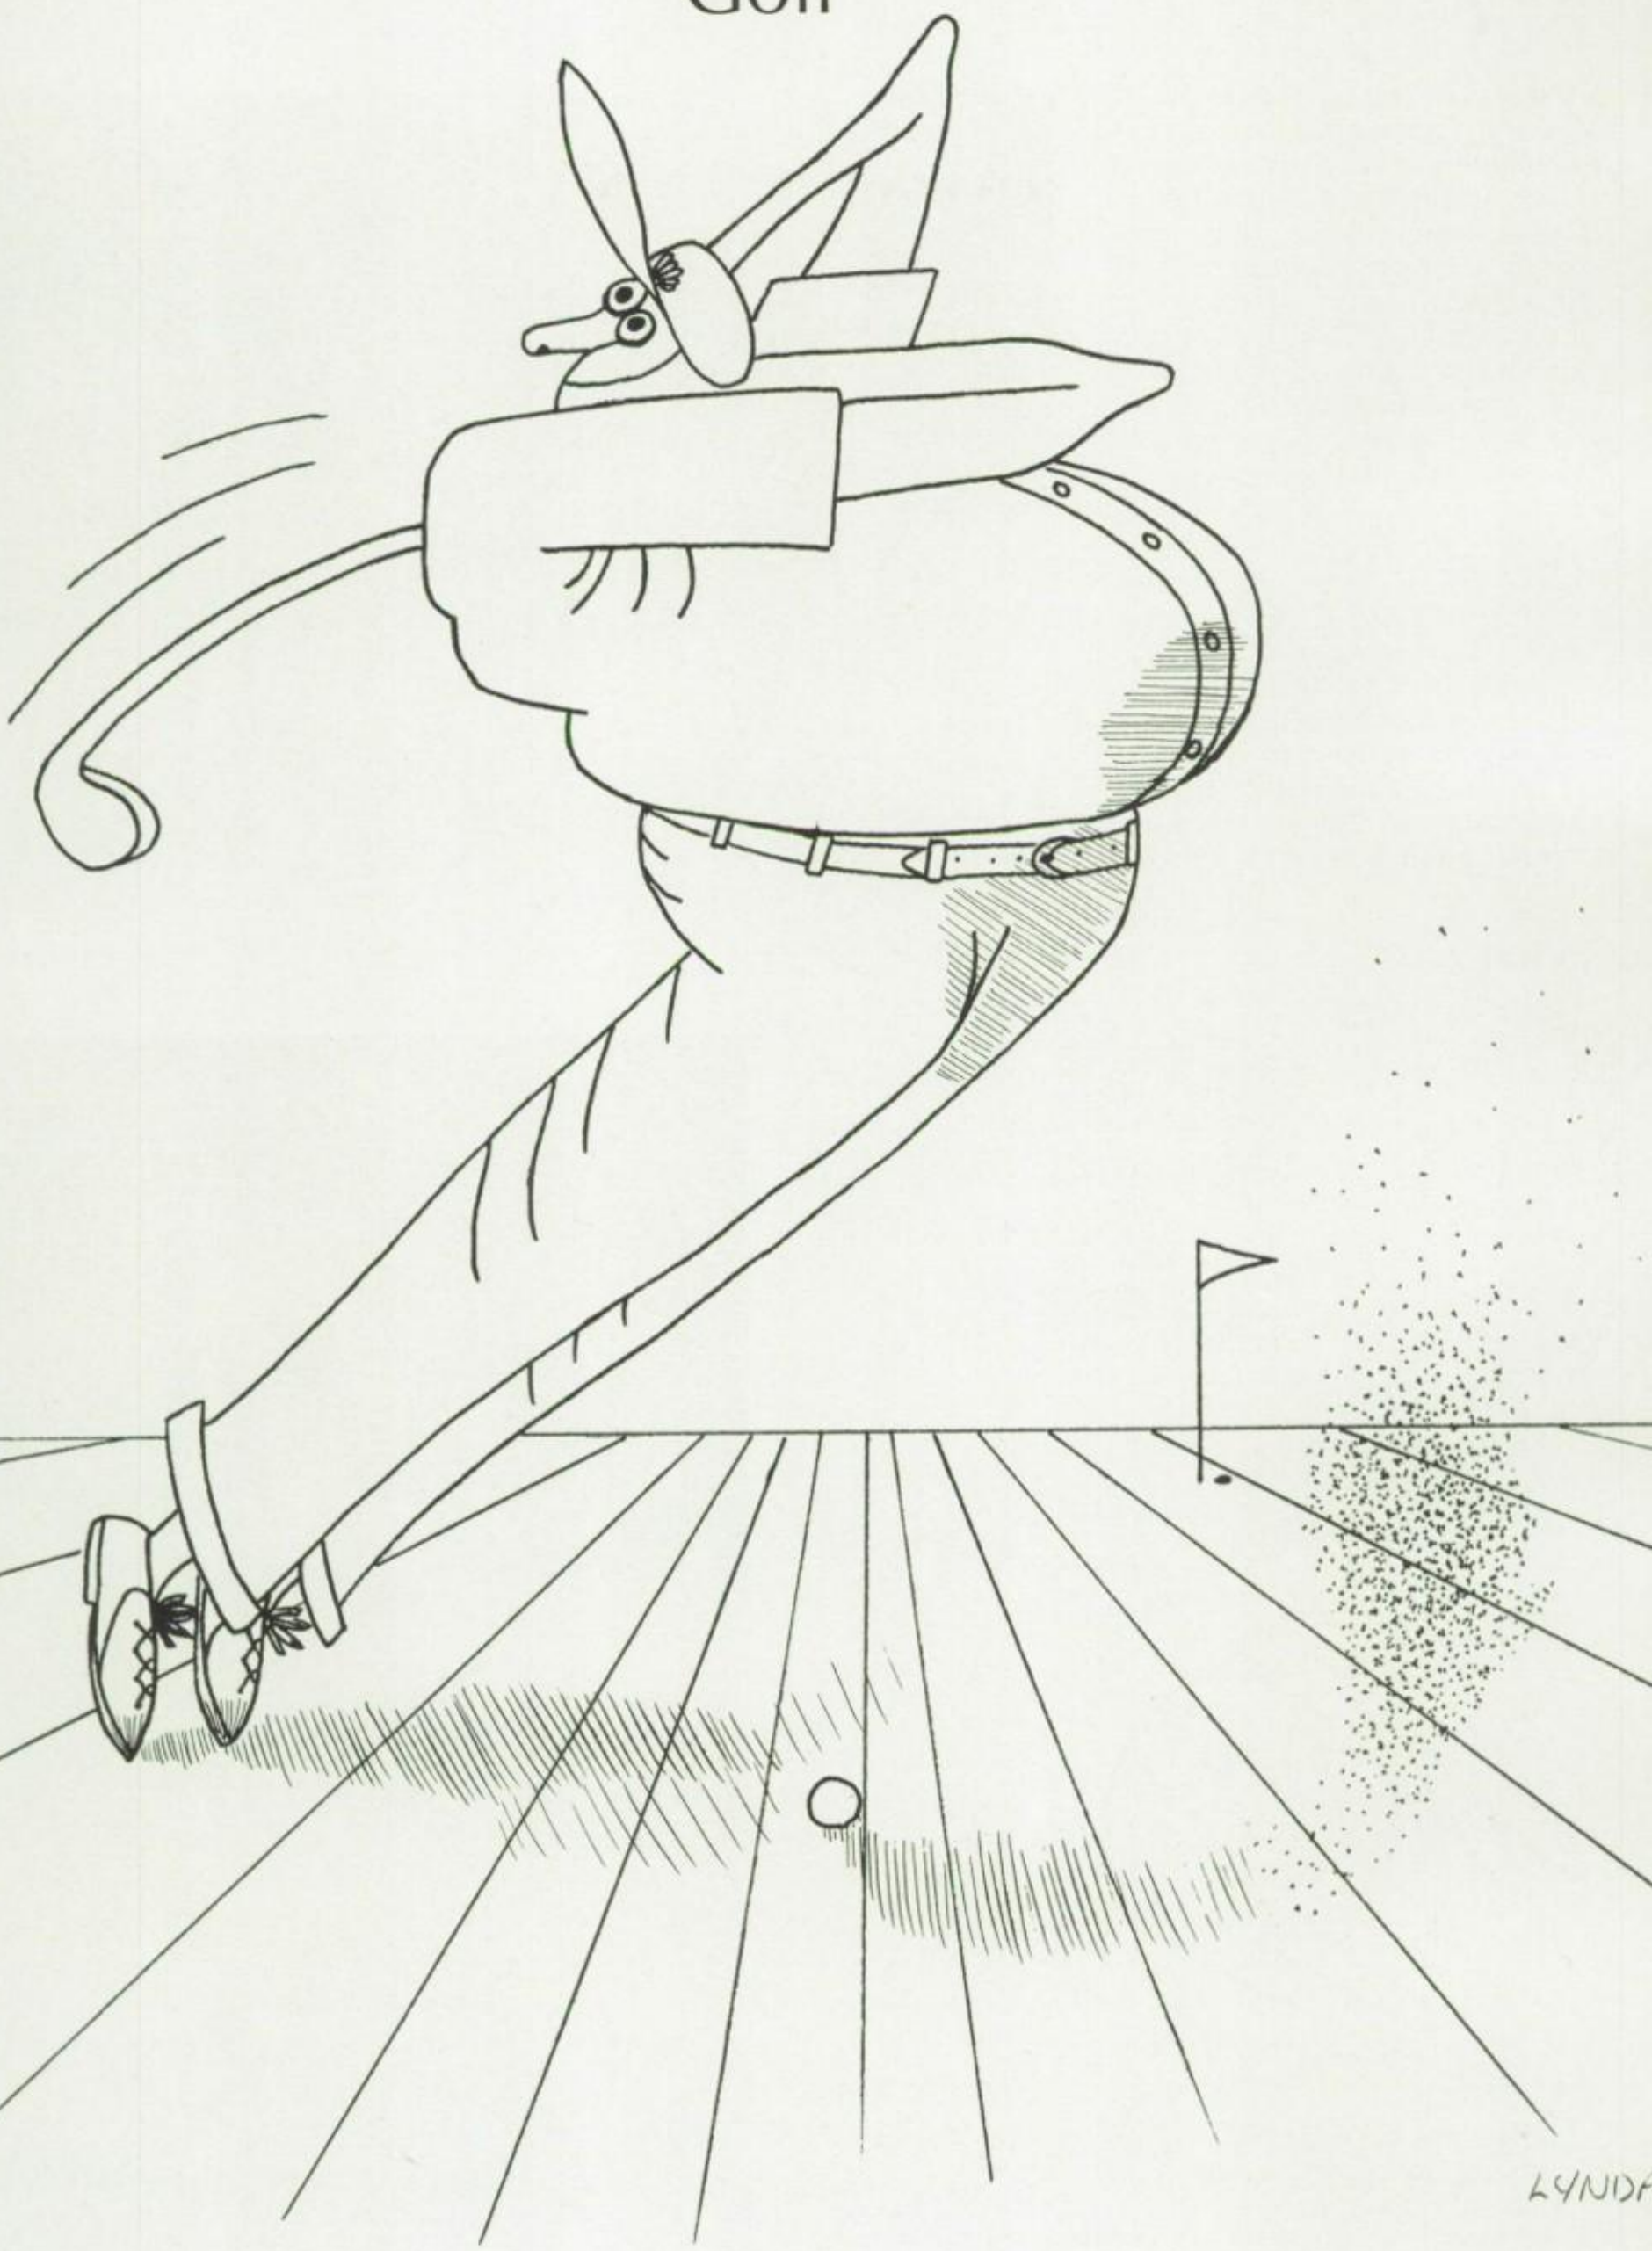
Golf



Golf

Varsity golf got off to a great start this season with wins over Governor Dummer Academy and the Moses Brown School. Bolstered by newcomers Mike McKenna and Chris Fraley playing numbers one and two, along with returning veteran Jim DeMallie, moving up to the number three spot, the team looked very strong. Playing very well but against strong competition they dropped the next four matches to Belmont Hill, Northfield Mt. Hermon, Lawrence and Wilbraham & Monson Academy. Working hard at their home course, Tatnuck Country Club, and with four of their last six matches. The last four victories were over Winchendon, Andover J.V., Williston, and Moses Brown while losing to Tabor and Easthampton High School.

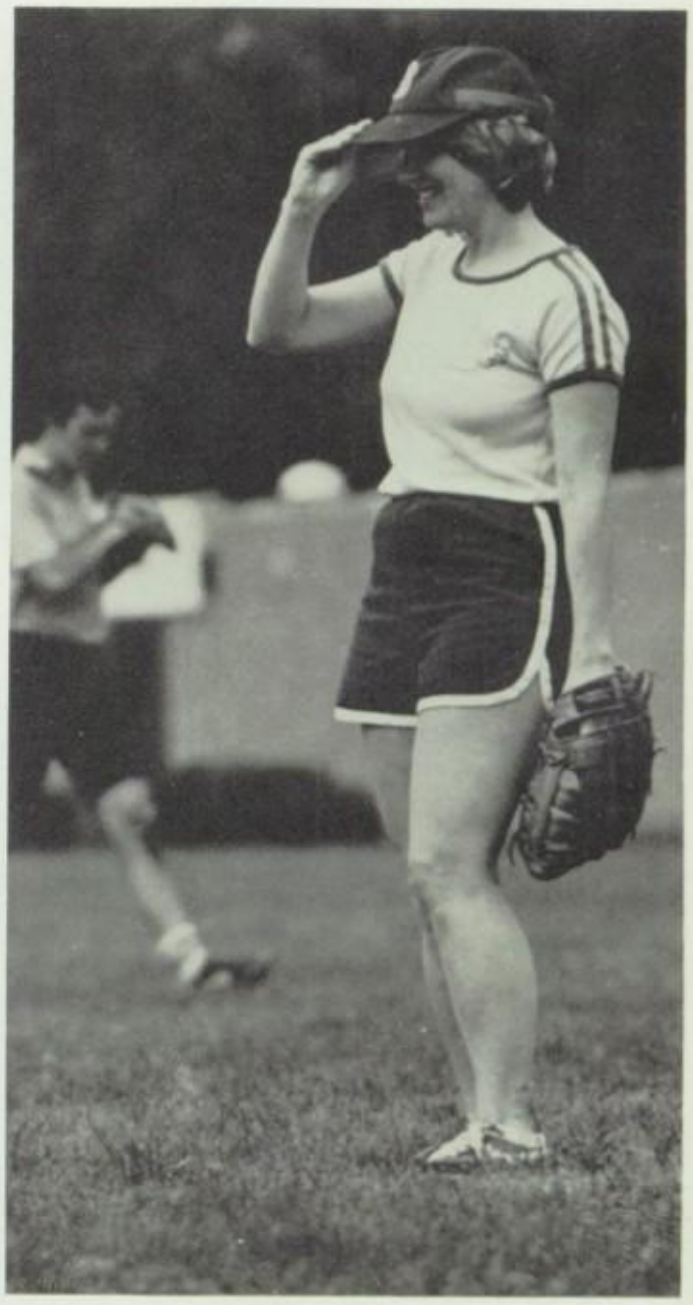
Faculty Sweep Twin Bill: 6-5; 7-3!

The tension was mounting; a major upset was about to take place. The seniors went into the seventh inning actually leading the faculty! The seniors had jumped out to an early lead, but the faculty had clawed back to within striking distance. As the game went into the seventh, it was 5-4 seniors, but the faculty struck for two runs and held on to win 6-5. The downtrodden seniors were easily beaten 7-3 in a rain-shortened second contest. For the faculty, another win; for the underclassmen, the rallying cry of all Boston Red Sox fans: "We'll get 'em next year!"



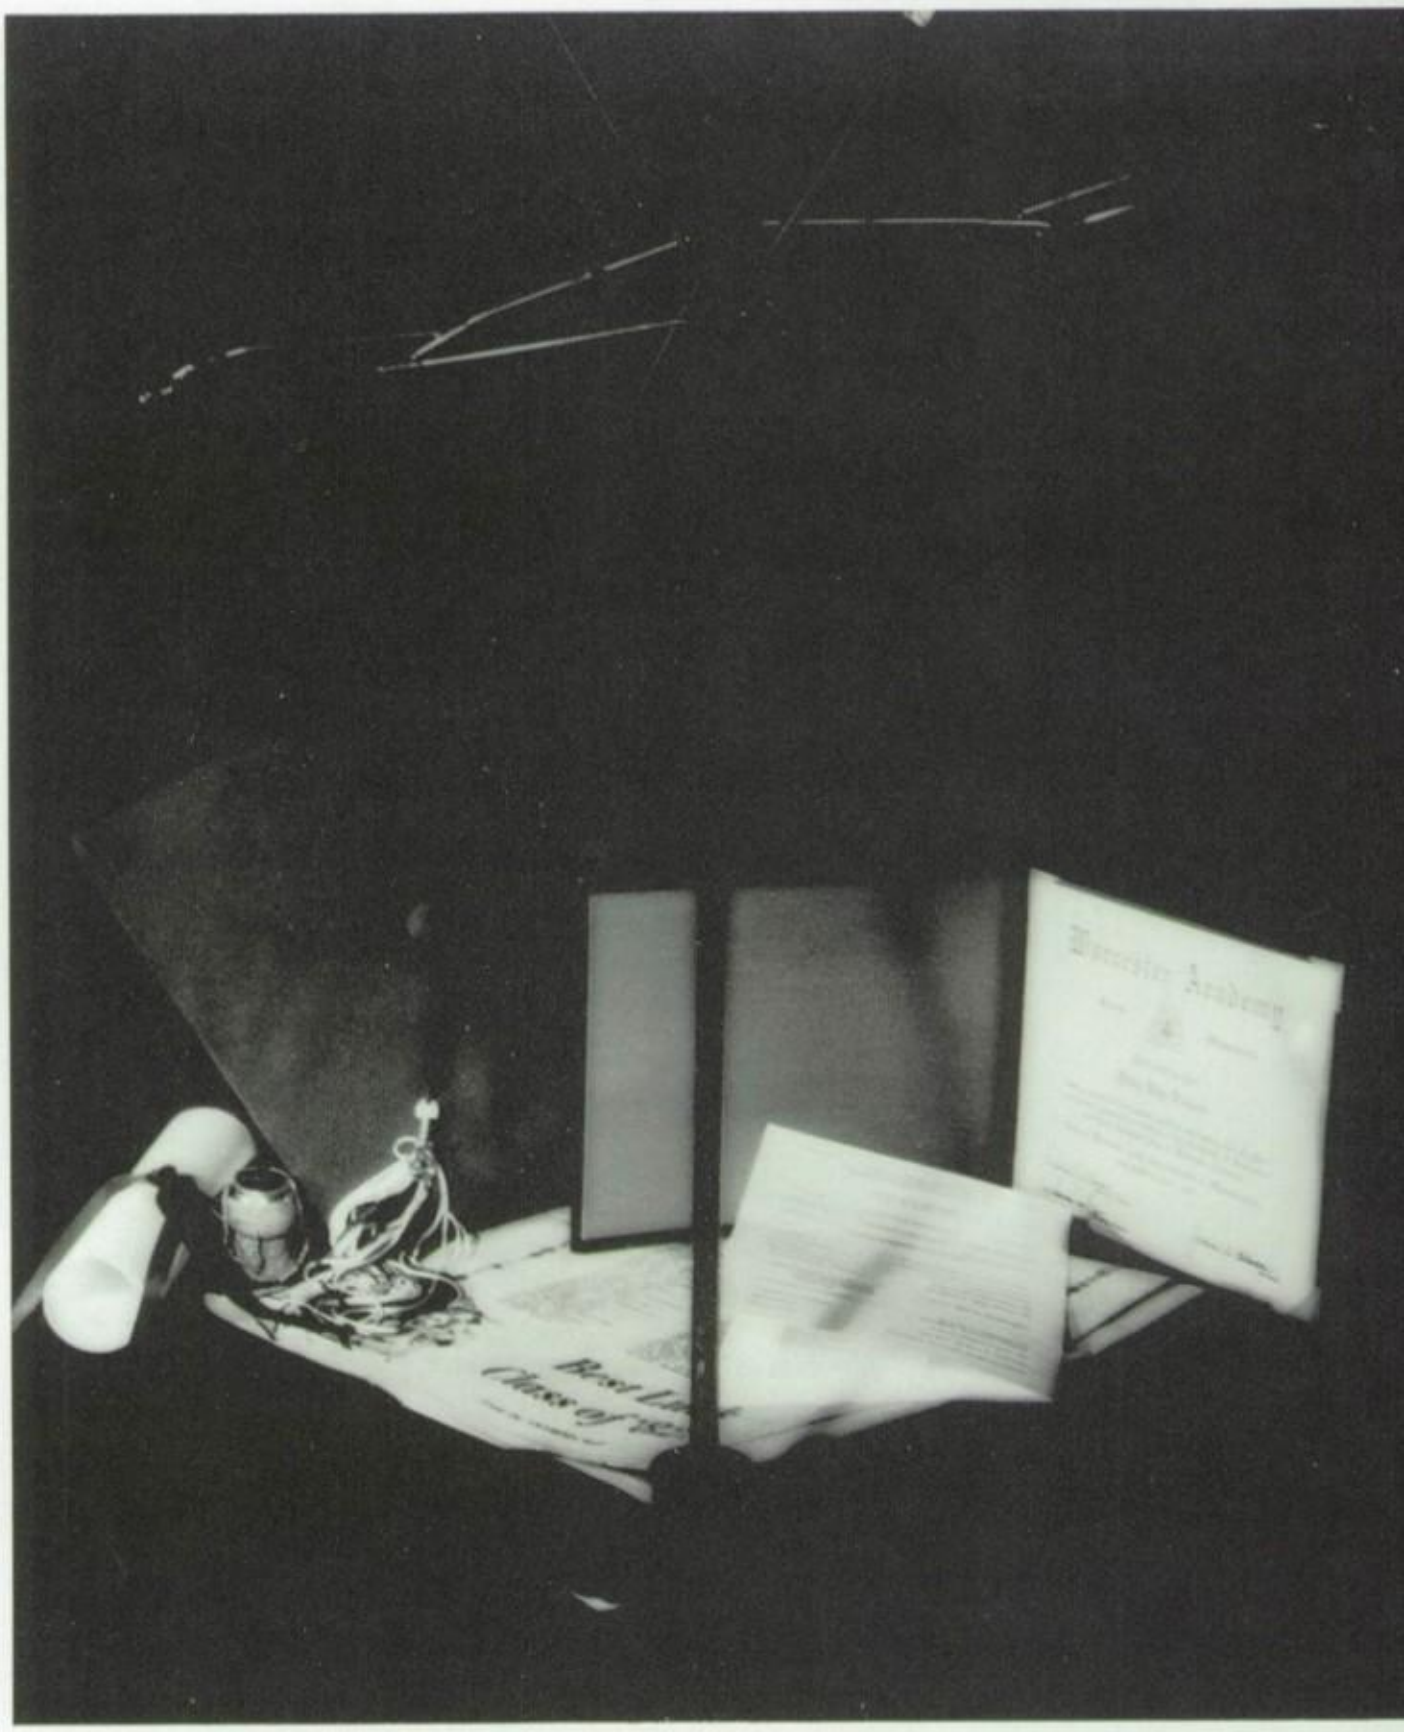
It Rained!

On Saturday, June 5, the Academy was innundated by a torrent of students, parents, friends, faculty, alumni, and rain for Worcester Academy's one-hundred and forty-eighth commencement exercises. The day began at 10:30 with the introduction of the eleven inductees into the Cum Laude society. They were Kelly Blackburn, Ekthai Chansue, Carlos Delhumeau, Philip Duquette, David Goldman, Bennet Gordon, Beth Hildick, Jeff Lubin, Tony Losapio, Sergio Mendoza, and Paul Peter.

Following the Cum Laude ceremony, Dean Andes began the class day awards. Several seniors received awards. The program was concluded with the announcement of the class donation of benches by the class of '82 President, Paige DeMallie.

After the class day awards, parents, friends, family, faculty, and mud proceeded to Walker Hall to wait for lunch. The line went through the first floor of Walker Hall, down the stairs, up the stairs, through the Megaron and into Adams Hall, where they were greeted by a beautiful buffet and ice carved into an "82" in honor of the graduating class.

Following the buffet, everyone assembled in Daniels Gymnasium for the commencement of the commencement. The rain held off long enough to get the seniors from Warner Theatre to the gym. After playing "Pomp and Circumstance" and the National Anthem, Reverend Conan H. Timoney said the Invocation. The Salutatory Address was given by Kelly Blackburn.



Elizabeth F. Winchester of the class of '78 then gave an illuminating Commencement Address on college life. This was followed by the announcement of the winners of the Commencement Awards. James Goldsberry was voted class representative. Anthony Losapio was the first person in the Academy's history to be awarded the Bucknell Scholarship as well as the Sigma Cup.

Mr. Russel E. Manoog of the class of '52 then proceeded to present the diplomas. This was followed by Jeff Lubins Valedictory Address. The Benediction was given by Reverend Arthur J. Siekman.

Then students, family, friends, and faculty filed out of the Gym into the rain. Everybody gave their congratulations and their last farewells. The class of 1982 was together for their last time.

Due to the lack of space, we, the class of 1982, are unable to plant the traditional tree. We feel sad that we are breaking a tradition that has lasted since the beginning of this school's history. But we feel honored to be able to start a new tradition. We, the 1982 graduating class of Worcester Academy, are donating a class bench to the school. The 1982 class bench is the backseat of a Ford "Granada." It is marroon in accordance with the school colors. We will place it under the flagpole, where most of the students spend their free time during the nice weather and where it can honor our country and our school. We hope the future graduating classes will achieve the honorable and follow our lead and plant their own class car seat. The foreign seniors could even donate the backseat of a Toyota. We hope that the future students of Worcester Academy will remember us, the class of 1982, through our bench which is selflessly donated by seniors who could have spent the money on other things such as Prom Favors. Thank you.

The Class of 1982

The Class of 1982 Last Will and Testament

We, the Towers staff, representing the class of 1982, assume the responsibility of the president in the writing of the Class Will. So, being of sound minds and bodies, do hereby leave the following items as we pass from this world to the next:

To Mr. Hyde and Mr. Grosel we leave ID's to get into R-rated movies.
To Miss Bullock we leave the book on to improve your swing.
To Miss Bossidy we leave valium to cope with the spring musical.
To Mr. Freeman we leave a "Build your own watch" kit and Melissa Herideen.
To Mr. Donald Bloom we leave a t-shirt that says "My mother went to the u-world and all I got was this stinkin' t-shirt."
To Mrs. Siekman we leave some of Miss Bossidy's valium and a secret she hasn't heard yet.
To Mr. Hughes we leave a good 45 minute story and an alarm clock set for 1:20 PM.
To Mrs. O'Keefe we leave a trip to Ireland.
To Mr. Siekman we leave a spittoon.
To Mr. Munger we leave optimism from Mrs. Benitez.
To Mrs. Benitez we leave pessimism from Mr. Munger.
To Mr. Andes we leave a new set of graduation caps.
To Mr. Strogoff we leave a rubber stamp of #72 to put on term papers; "Stroodles"
To Mrs. Andes we leave a smile and a wake up call for 7:15 AM.
To Mr. Miller we leave a set of china for brunch and a complete sentence.
To Miss Bertozzi we leave a soundproof room and a poodle to talk with.
To Mr. Benitez we leave the book **The Ten best Speeches of Mr. Greg Hyde.**
To Mr. Winters we take one Bresnahan but leave two Sarnos.
To Mr. Bridge we leave a lifestyle and a personality.
To Mr. Delaney we leave math team cheerleaders that yell "Beat Hudson Catholic!"
To Mr. Richard we leave a real mustache and a park bench.
To Mr. Cataldo we leave a Chris Ferrera doll to keep him company.
To Mr. Shainheit we leave Huck Finn map complete with raft which moves in linear and circular motion, definition of delta (equilateral triangle symbol for change), and batteries for his tie with the nude lady on it.
To Mr. Whittemore we leave a standard test that only takes 45 minutes to take, a demo that works, and a dinner at the restaurant of his choice with any five of the thirty-two modern scientists that he can guess.
To Mr. John Bloom we leave the Hervey Ross scholarship for capitalism, truth justice, and the American way.
To Mr. Hellen we leave a good function, "e", a book on how to draw axis, the Red Cross Certificate of Merit, proof that there is a God and our sincere gratitude and respect.

Time was, you got your phones from the phone company. Like it or not.

But times change. Today you have cost-cutting options. And one of the best is buying your own business communications system from Anaconda-Ericsson.

Whether you need 10 phones or 10,000, we can replace your present system with one that does more, for less. A lot less, when you consider the depreciation and investment tax credit savings that go along with owning many types of business equipment.

But that's not the only way you can save. Our sales engineers can conduct a network analysis of your present system to determine the most cost-effective design for your current and long-term needs. An Anaconda-Ericsson system can cut long distance call-back tolls by camping incoming calls on busy lines. It can hold down direct dial costs by automatically selecting the least expensive routing for your calls. It can provide conference calling. Abbreviated speed dialing. Toll call line restrictions. And much more.

How about reliability and service? We've built our business by maintaining total control over all its phases – from manufacturing through installation to service. Which means you can count on prompt, direct service from local Anaconda-Ericsson Information Systems technical experts.

Our resources are just as solid. We are owned jointly by the Atlantic Richfield Company and LM Ericsson, one of the world's largest, most advanced telecommunications companies.

Let's talk. Use your present phone system to make one more call. To Anaconda-Ericsson. **(617) 620-0200.** 480 Cochituate Road, Framingham, MA 01701.

The Next Time You Get An Urge To Throw Out Your Phone System, Maybe You Should.

We, the Towers staff, would like to give special thanks to those people who did the little things that prove invaluable to Towers '82. We would like to thank The Virgornia for their glue and scissors; the Athletic Department for providing information for articles; the business office for their help on the ads; Mrs. Siekman for everything; Ruth Ann Bayliss for doing the tedious work that no one else would do; Mary Beth Nadeau for her help with captions; Melissa Herideen for senior superlatives and doing whatever she's told; Mike Seidman for coming in at 10:30 on a Sunday morning; Julie Gilley for her great pictures drawings; Ralph Engwall for superb candids; Henry Malkasian for his connections; Philip Duquette for taking sports' team pictures under adverse conditions and extreme stress. Tracy Spool for all 195 pages and for accepting the position of acting editor during Tony's bout with "The Pox"; and Tony L. for his dexterity in cropping and reading notes.

Also, we would like to thank Hunter Publishing Company, Arnie Lohman, and Irv Freeman without which Towers would not be possible.

We would like to wish luck to Lynda Seuss and next year's Towers staff and we hope that Arnie and Irv continue to lie.
